Please let people know you have listed them as a reference. The Dept. of Health requires the Town of Clinton to contact three personal references.

**Requirements:**

In order to participate as a volunteer, you will be provided a username and password to complete online courses in Playground Safety, Swim Safety, and Bloodborne Pathogens.

You will be required to attend two orientations (snacks served) to become familiar with other camp personnel, and camp rules, safety and supervision of the campers, including your own safety while volunteering at camp.

You will be expected to volunteer for at least one full week, at 7.5 hours per day. There will be a refrigerator to store your lunch, and you will be given time for breaks.

You can swim while at camp when the beach is open, bring a bathing suit and a towel. There are always two lifeguards present when the beach is open.
