

Town of Clinton
Resolution No. 35 of 2018

WHEREAS, the Town of Clinton has approved a grant request to Assemblywoman Didi Barrett for a total of \$122,211 that includes the replacement of the old highway garage roof for \$28,900 and the purchase of additional solar panels for \$93,311; and

WHEREAS, Assemblywoman Barrett has considered making additional funds available for other projects for the Town of Clinton to benefit its residents; and

WHEREAS, additional costly infrastructure projects to the Town Hall complex and Library meet the criteria for additional funding that Assemblywoman Barrett is willing to consider;

NOW, THEREFORE, BE IT RESOLVED that the Town requests a new handicapped accessible entrance through the Library's front door with the addition of a ramp and new handicapped accessible entry door for a proposed cost of \$81,000, and a 150 KW standby generator to allow the Town Hall and Library to function during power outages for a proposed cost of \$107,500; and

BE IT FURTHER RESOLVED THAT THE Town of Clinton makes a grand total grant request to Assemblywoman Barrett of \$310,711 for all projects.

Dated: June 12, 2018

Carol-Jean Mackin, Town Clerk
