00:18:20.550 --> 00:18:21.120

Okay.

00:18:23.970 --> 00:18:25.680

Ray Oberly - Town Supervisor: Now we do my comments. Okay.

147

00:18:26.790 --> 00:18:27.690

Ray Oberly - Town Supervisor: No, I found them.

148

00:18:29.070 --> 00:18:42.900

Ray Oberly - Town Supervisor: Okay, this is a reminder that the town complex is still closed for walk ins the staff will be working from home, if possible, and under occasionally in the office to contact the staff send an email.

149

00:18:44.370 --> 00:18:59.700

Ray Oberly - Town Supervisor: Phone call fax us a drop box on the town hall porch or mail them a letter, the highly crew is working full staffed to do road maintenance and remove trees blocking the roads due to the recent windstorm

150

00:19:00.540 --> 00:19:08.070

Ray Oberly - Town Supervisor: Court is also closed, but if you have a vehicle and traffic ticket. You can mail your fine monies to the court for processing.

151

00:19:08.730 --> 00:19:30.600

Ray Oberly - Town Supervisor: Grievance day is still on scheduled for May 27 with a tentative assessment role being available on May 1 the day will be conducted on zoom. So, contact the office 845 to 668179 for details or visit the town web page.

152

00:19:32.880 --> 00:19:54.000

Ray Oberly - Town Supervisor: This is a 2020 senses reminder. Things are not moving head very fast on this thing. Unfortunately, this is the 20 the reminder that you should have received a mailing from the

census organization with your personal ID that is to be used to complete your Census Information by online computer

153

00:19:55.020 --> 00:20:04.890

Ray Oberly - Town Supervisor: Telephone or paper form to date around 50% of the people in Dutchess County have complete sentences Reza registration.

154

00:20:05.640 --> 00:20:20.130

Ray Oberly - Town Supervisor: Due to the coven 19 virus. The census schedule has been delayed on April 820 20 the census started mailing out questionnaires to those residents who have not replied yet.

155

00:20:20.880 --> 00:20:33.510

Ray Oberly - Town Supervisor: Now, if you have a post office box, you're probably going to get one of these things because they normally do your registration is by your house address, not by your mailing address

156

00:20:35.550 --> 00:20:47.130

Ray Oberly - Town Supervisor: So they hope to have sentence personnel start to track done the people who haven't completed their sentence registration, please make every effort to register for the sentence.

157

00:20:47.520 --> 00:20:56.610

Ray Oberly - Town Supervisor: Too much of the New York State and Dutchess County funds are distributed by the federal government on the basis of population collected during the census.

158

00:20:59.190 --> 00:21:12.330

Ray Oberly - Town Supervisor: And as you probably gathered things are rapidly changing. We are not following the standard timings or formats always that we did in the past year. So I encourage

159

00:21:13.110 --> 00:21:25.620

Ray Oberly - Town Supervisor: The residents to sign up for free electronic email service MailChimp so you can quickly get information on activities and other information directly no waiting for the newspaper to come

160

00:21:26.130 --> 00:21:44.910

Ray Oberly - Town Supervisor: Mail to arrive, or having to search the Internet or towns web page for information to quickly sign up, go to the town's web page and in the upper right side top line, click on subscribe fill in the requested information during the time of the coven

161

00:21:45.990 --> 00:21:52.740

Ray Oberly - Town Supervisor: Information changes weekly and sometimes daily this way you'll be quickly informed of the changes.

162

00:21:54.930 --> 00:22:07.530

Ray Oberly - Town Supervisor: This is a reminder about the parks due to the coven 19 virus pandemic, the recreation parks are closed for these types of activities and probably closed for a while yet.

163

00:22:08.640 --> 00:22:19.110

Ray Oberly - Town Supervisor: You cannot have special gatherings like birthdays graduation company parties etc and group activities baseball soccer volleyball, whatever.

164

00:22:19.980 --> 00:22:28.770

Ray Oberly - Town Supervisor: You may walk, jog or sit and observe nature, but you must maintain the social distance of six feet between people during these activities.

165

00:22:29.640 --> 00:22:43.890

Ray Oberly - Town Supervisor: You should also be wearing a face mask you are out in public areas and the parks are Francis JAY PARK. The friends Park and literally ball field up here by the Town Hall complex

166

00:22:45.000 --> 00:22:57.090

Ray Oberly - Town Supervisor: lane highway knows just got in this afternoon is the highway crew will be doing asphalt chime the browning road on Monday and Tuesday, May 18 and 19th

167

00:22:58.140 --> 00:23:17.190

Ray Oberly - Town Supervisor: There can be delays, so use alternate routes for those two days shaming means they put asphalt down and then great it with a mower so that when they put another coat on either on stone or macadam it more level across the surface.

168

00:23:18.630 --> 00:23:34.770

Ray Oberly - Town Supervisor: The other one is during the first week of June, black topping will be done on Hibernia road from the town line to connect State Parkway. Again, there will be delayed. So best to use alternate routes for those days.

169

00:23:35.910 --> 00:23:44.670

Ray Oberly - Town Supervisor: Town Judge James brands withdrew his request to not be paid while the court is closed during the coven restrictions, so I

170

00:23:45.870 --> 00:23:48.720

Ray Oberly - Town Supervisor: So we're on new business.

171

00:23:51.870 --> 00:23:54.030

Ray Oberly - Town Supervisor: There was no business that I had left

172

00:23:56.730 --> 00:24:07.830

Ray Oberly - Town Supervisor: Just to formalize the fact that we're not having public comments during these town board meetings. We're trying to effectively move them along quite quickly.

173

00:24:08.400 --> 00:24:15.780

Ray Oberly - Town Supervisor: It's primarily looking to do appointments and finance actions like pay bills and things like that.

174

00:24:16.680 --> 00:24:30.480

Ray Oberly - Town Supervisor: I make motion that the town board approves the following resolution, be it resolved that the town board approves there being no public comments during town board meetings until further notice. Effective April 14 2020 desert a second

175

00:24:32.910 --> 00:24:33.720

Dean Michael: D Michael second

176

00:24:34.710 --> 00:24:42.360

Ray Oberly - Town Supervisor: Okay, further discussion. All in favor, while my mistake. We do roll call overly I

177

00:24:43.410 --> 00:24:44.580

Ray Oberly - Town Supervisor: Giuliano

178

00:24:45.000 --> 00:24:46.470

Ray Oberly - Town Supervisor: I Witten

179

00:24:46.950 --> 00:24:48.450

Ray Oberly - Town Supervisor: I Michael

180

00:24:50.100 --> 00:24:50.790

Ray Oberly - Town Supervisor: Cunningham.

181

00:24:52.110 --> 00:24:53.160

Ray Oberly - Town Supervisor: Motion carry

182

00:24:55.170 --> 00:24:57.600

Ray Oberly - Town Supervisor: Okay, Nancy has the next one.

183

00:24:59.520 --> 00:25:13.170

Nancy Cunningham: We had some unfinished business that we did not. I did not address it to the April meeting. So this pertains to Ryan makin who was our winter seasonal employee.

184

00:25:13.860 --> 00:25:27.360

Nancy Cunningham: That term and did the end of April, I need to make a motion to be able to pay him for the month of April, and then he can move on to other seasonal work. So I make a motion to continue

185

00:25:28.830 --> 00:25:42.450

Nancy Cunningham: To continue to appoint Ryan back in as a winter seasonal employees from April 1 2022 April 30 2020 at the rate of 1310 per hour.

186

00:25:43.230 --> 00:25:44.190

Ray Oberly - Town Supervisor: Is there a second

187

00:25:44.670 --> 00:25:45.840

Chris Juliano - Council Person: A manually no second

188

00:25:46.860 --> 00:25:48.390

Ray Oberly - Town Supervisor: Any further discussion.

189

00:25:49.980 --> 00:25:53.250

Ray Oberly - Town Supervisor: Roll Call overly I Giuliano

190

00:25:53.610 --> 00:25:55.230

Ray Oberly - Town Supervisor: I Witten

191

00:25:55.620 --> 00:25:57.270

Ray Oberly - Town Supervisor: I Michael

192

00:25:58.410 --> 00:25:59.250

Ray Oberly - Town Supervisor: Cunningham.

193

00:25:59.430 --> 00:26:01.920

Ray Oberly - Town Supervisor: High Motion carried.

194

00:26:02.940 --> 00:26:06.990

Ray Oberly - Town Supervisor: Next one is approved tourism resolution.

195

00:26:09.720 --> 00:26:14.820

Ray Oberly - Town Supervisor: This was a request from the tourism, trying to get more support for

196

00:26:15.420 --> 00:26:24.810

Ray Oberly - Town Supervisor: Their activities over the summer and stuff with via with this covert violence restrictions and all things are getting tough for them to even get out and get the word so

197

00:26:25.230 --> 00:26:41.460

Ray Oberly - Town Supervisor: It's just a standard resolution costs us nothing. And we're not involved in doing anything. I make a motion that the town board approves the following resolution, be it resolved that the town board approves the resolution of 2020 title tourism resolution. Is there a second

198

00:26:42.180 --> 00:26:43.050

Dean Michael: The Michael second

199

00:26:44.130 --> 00:26:47.820

Ray Oberly - Town Supervisor: Roll Call overly I Giuliano

200

00:26:48.090 --> 00:26:49.770

Ray Oberly - Town Supervisor: I with

201

00:26:52.080 --> 00:26:52.740

Ray Oberly - Town Supervisor: Michael

202

00:26:53.310 --> 00:26:53.610

I

203

00:26:55.380 --> 00:26:56.730

Ray Oberly - Town Supervisor: Next one is

204

00:26:58.050 --> 00:26:58.860

Ray Oberly - Town Supervisor: Putting him.

205

00:27:00.270 --> 00:27:02.910

Ray Oberly - Town Supervisor: Okay. Motion carrying

206

00:27:04.050 --> 00:27:05.670

Ray Oberly - Town Supervisor: Okay, the next one is

207

00:27:06.750 --> 00:27:10.170

Ray Oberly - Town Supervisor: It's part of the process of being in this

208

00:27:11.430 --> 00:27:24.930

Ray Oberly - Town Supervisor: unusual situation of the covert restrictions. This was a resolution, I wrote to put together a designation of a central workers in the town of Clinton.

209

00:27:26.940 --> 00:27:34.140

Ray Oberly - Town Supervisor: What is it when we get into discussion. I'll briefly describe it, but I just want to motion to get it on the table.

210

00:27:34.740 --> 00:27:49.530

Ray Oberly - Town Supervisor: Make a motion that the town board approves the following resolution, be it resolved that the town board approves resolution of 2020 title defining in a central worker in the town of Clinton under covert restrictions. Is there a second

211

00:27:49.890 --> 00:27:51.300

Dean Michael: A Michael second. Oh.

212

00:27:52.500 --> 00:27:56.580

Ray Oberly - Town Supervisor: I'll just go through this thing here just got to get the right one.

213

00:27:57.840 --> 00:27:58.590

Ray Oberly - Town Supervisor: Oh, here it is.

214

00:28:00.630 --> 00:28:08.550

Ray Oberly - Town Supervisor: Okay, what essentially does it, it says all the employees of the town.

215

00:28:10.770 --> 00:28:12.960

Ray Oberly - Town Supervisor: Are considered central workers.

216

00:28:14.100 --> 00:28:30.420

Ray Oberly - Town Supervisor: Except for the wreck Park gate guard lifeguards and summer children summer camp staff. Now they can be appointed later on. But right now, they're not in business, they're not doing anything. So it's just

217

00:28:31.560 --> 00:28:38.400

Ray Oberly - Town Supervisor: Procedural has nothing to do with anything else right now until we decide. Are we doing summer camps swimming and all that stuff.

218

00:28:39.540 --> 00:28:53.310

Ray Oberly - Town Supervisor: And then, what it does is it defined the restrictions that apply, basically. As I said previously to contact the staff, you have several options telephone, email, regular mail.

219

00:28:54.360 --> 00:29:01.740

Ray Oberly - Town Supervisor: Drop Box on the porch appointments and facts and anybody coming to visit the

220

00:29:02.160 --> 00:29:16.770

Ray Oberly - Town Supervisor: Office staff and all must have a mask on, you don't have a mask. We're not talking to it all but you got to have an appointment. The doors are locked and we don't know who's out there. And essentially, it said the highway crew. This started this

221

00:29:17.820 --> 00:29:27.150

Ray Oberly - Town Supervisor: Past Monday. Another yesterday and the rest of the staff starts on the team. So that's in summary what it is, it's

222

00:29:28.350 --> 00:29:44.790

Ray Oberly - Town Supervisor: big list of people, but it's all the offices and departments including custodians and park directors and maintenance people, things like that. So that's what that contains and as things changing the future we can

223

00:29:46.200 --> 00:29:57.360

Ray Oberly - Town Supervisor: Modify the list and do whatever is appropriate, but this is probably good for least two to four weeks and then we'll see what's happening at the county and state level.

224

00:29:58.650 --> 00:30:05.400

Michael Whitton, Councilmember: Or the town board members listed under like are they included in the supervisors office or something because we're the only ones that I noticed aren't on the list.

225

00:30:06.990 --> 00:30:09.660

Chris Juliano - Council Person: That might. I know. Okay, I'll add it

226

00:30:10.080 --> 00:30:10.770

Ray Oberly - Town Supervisor: I'm sorry.

227

00:30:14.700 --> 00:30:15.540

Ray Oberly - Town Supervisor: Good catch.

228

00:30:17.520 --> 00:30:19.920

Ray Oberly - Town Supervisor: gets hard to keep track of where everybody is

229

00:30:21.270 --> 00:30:23.700

Ray Oberly - Town Supervisor: Yeah. So, okay, we added that

230

00:30:26.880 --> 00:30:32.250

Ray Oberly - Town Supervisor: Any other comment Okay let's roll call vote. Find where we are.

231

00:30:34.920 --> 00:30:37.980

Ray Oberly - Town Supervisor: Okay, overly I Giuliano

232

00:30:38.280 --> 00:30:40.080

Ray Oberly - Town Supervisor: I Witten

233

00:30:40.230 --> 00:30:41.970

Ray Oberly - Town Supervisor: I Michael

234

00:30:42.090 --> 00:30:42.330

Dean Michael: I

235

00:30:42.780 --> 00:30:43.590

quoting him.

236

00:30:46.110 --> 00:30:47.340

Dean Michael: Crying and

237

00:30:48.600 --> 00:30:49.560

Nancy Cunningham: I said I

238

00:30:49.800 --> 00:30:53.700

Ray Oberly - Town Supervisor: Oh, you did. Okay. Motion carried. Now we do

239

00:30:55.740 --> 00:30:56.220

Ray Oberly - Town Supervisor: Meet you mean

240

00:30:57.420 --> 00:31:00.780

Ray Oberly - Town Supervisor: resignations and appointment Nancy's got something here.

305

00:36:23.640 --> 00:36:24.720

Ray Oberly - Town Supervisor: record keeping.

306

00:36:25.470 --> 00:36:43.320

Ray Oberly - Town Supervisor: For 2019. In other words, it's the financial business report like you would see in a normal business. So once that's finalized. Then it ripples through January, February, March and April. So that's what, that's why we have all of these to approve it on time.

Ray Oberly - Town Supervisor: High motion carry. Okay, here's where we can talk in your comments. Now it says other will just tuck them write their

315

00:37:26.430 --> 00:37:28.230

Michael Whitton, Councilmember: Minds pretty quick. If you want me to go Dean.

316

00:37:28.230 --> 00:37:36.990

Michael Whitton, Councilmember: Yeah, my mind. We just had a library board meeting last night and I wanted to acknowledge to changes in the library board Elliot Werner was appointed

317

00:37:37.440 --> 00:37:44.490

Michael Whitton, Councilmember: And then Matthew Pfister who has been a longtime president of library board and was there from the whole reorganization of the library.

318

00:37:44.940 --> 00:37:53.070

Michael Whitton, Councilmember: stepped down last night. It was a long plan movie wasn't a surprise, but I wanted to thank him for his years of service. In fact, extended his term several times.

319

00:37:54.570 --> 00:37:58.230

Michael Whitton, Councilmember: And he is being replaced by Mary Pat Sternberg so wish her luck.

320

00:38:00.030 --> 00:38:00.390

Michael Whitton, Councilmember: And

321

00:38:01.230 --> 00:38:02.670

Ray Oberly - Town Supervisor: She being replaced.

322

00:38:02.730 --> 00:38:03.990

Ray Oberly - Town Supervisor: As the person

323

00:38:04.710 --> 00:38:07.860

Michael Whitton, Councilmember: Is replacing Mary Pat is stepping in. As the President of the Board.

324

00:38:09.660 --> 00:38:12.840

Ray Oberly - Town Supervisor: Okay, just wanted to be sure, because she was on the board before.
That's what

325

00:38:12.840 --> 00:38:15.030

Michael Whitton, Councilmember: Yes. Yeah, she was the vice president and I don't

326

00:38:15.330 --> 00:38:16.470

Michael Whitton, Councilmember: They've named a vice president

327

00:38:17.340 --> 00:38:19.110

Ray Oberly - Town Supervisor: Okay, thanks a lot. Yep.

328

00:38:20.280 --> 00:38:21.360

Ray Oberly - Town Supervisor: Okay, Dean.

329

00:38:21.660 --> 00:38:33.120

Dean Michael: So the planning board did meet last Tuesday via zoom meeting. And while I don't have the full details, I can basically talk about there was two variances.

330

00:38:34.110 --> 00:38:46.380

Dean Michael: That were both approved one on three or four hours. Clinton Avenue and one on 53 Lake pleasant drive. They were both referred over to the Zoning Board of appeals

331

00:38:46.890 --> 00:38:55.980

Dean Michael: For variances and then there was the one application for a long pond campground part of a mega which they also approve that permit.

332

00:38:56.550 --> 00:39:03.840

Dean Michael: More of the interesting port point that I wanted to bring up was some of the difficulties in the residents.

333

00:39:04.590 --> 00:39:17.250

Dean Michael: Trying to connect with zoom. So one of the suggestions was that the meeting would actually Fred would actually open the meeting for people to log in 15 minutes beforehand.

334

00:39:18.120 --> 00:39:24.450

Dean Michael: So that people would have an opportunity to make sure that their connection was okay. I assume that the person that was trying to connect

335

00:39:24.780 --> 00:39:33.330

Dean Michael: Was using a desktop that did not have a microphone or a camera, but just didn't know enough to know that he needed a camera and a

336

00:39:33.930 --> 00:39:42.720

Dean Michael: And a microphone so he did end up calling in. And so it was taken care of by, you know, a phone call. But so, one of

337

00:39:43.380 --> 00:39:48.600

Dean Michael: The only thing I'm trying to bring up is the fact that the suggestion was that Fred was going to open up the meeting.

338

00:39:49.290 --> 00:40:04.080

Dean Michael: 15 minutes earlier. Let the people make sure that they could connect and then put them back out into like a lobby so that whoever was on the agenda at that time wouldn't be interrupted by anybody else. Okay.

339

00:40:04.110 --> 00:40:04.530

Ray Oberly - Town Supervisor: Thank you.

340

00:40:05.430 --> 00:40:06.630

Nancy Cunningham: Ray I have something

341

00:40:08.100 --> 00:40:08.520

Nancy Cunningham: Right.

342

00:40:08.730 --> 00:40:12.420

Nancy Cunningham: Yeah, I just want to talk a little bit about the parks.

343

00:40:13.980 --> 00:40:19.260

Nancy Cunningham: I'm sure many of you know that the gates have been locked at Kramer Park.

344

00:40:20.310 --> 00:40:30.960

Nancy Cunningham: And we are going to open them up this coming week we will have signs to instruct everybody what's allowed and what is not and primarily it's what you said originally

345

00:40:31.320 --> 00:40:49.230

Nancy Cunningham: For now, Ray. And that is jogging walking. I will move the picnic tables of far enough apart. So if everyone adheres to the six feet in the, the mass, they could actually use the picnic table that they will be no activities other than that are

346

00:40:50.310 --> 00:41:08.340

Nancy Cunningham: Currently we're looking at all the programs that we go on and the use of civilian and not official but chances are, we will not be able to accommodate any of those for this season, but we will make that decision, while before next board meeting.

347

00:41:09.360 --> 00:41:16.470

Nancy Cunningham: And that will also apply to the other parks as well. So, and I would like to ask one thing of the

348

00:41:17.730 --> 00:41:20.520

Nancy Cunningham: Town Council people everyone that's listening.

349

00:41:22.560 --> 00:41:32.670

Nancy Cunningham: We have to, as we prepare to open the, the whole town. Okay, I would ask people to, especially the Council people to

350

00:41:33.240 --> 00:41:47.820

Nancy Cunningham: Email me where they think signs appropriate directions appropriate marks or shields, whatever are appropriate for the code with 19 so we can open and be compliant to everything.

351

00:41:48.540 --> 00:41:58.350

Nancy Cunningham: I have charged to kind of do all there. But I need input from everybody to make that happen so that we keep the public safe, as well as the staff. Okay.

352

00:42:00.870 --> 00:42:01.650

Ray Oberly - Town Supervisor: Okay.

353

00:42:03.510 --> 00:42:04.260

Ray Oberly - Town Supervisor: Anybody else

354

00:42:06.660 --> 00:42:07.590

Ray Oberly - Town Supervisor: Okay, so

355

00:42:08.760 --> 00:42:14.100

Ray Oberly - Town Supervisor: I make a motion that the town board a joins the meeting. Is there a second

356

00:42:14.370 --> 00:42:15.270

Dean Michael: Michael second

357

00:42:16.200 --> 00:42:19.320
