63

00:08:46.230 --> 00:08:48.660

Clinton Supervisor Ray Oberly: Whole business entity.

64

00:08:48.900 --> 00:08:50.280

Nancy: Yes, um,

65

00:08:51.570 --> 00:08:59.310

Nancy: I need to just kind of update everyone with what's going on in France park over the months and years. You've heard me talk about

66

00:09:00.150 --> 00:09:10.440

Nancy: The park was deteriorating and that we needed to put some some funds in the park to actually make it safer. So we have been out

67

00:09:10.860 --> 00:09:27.300

Nancy: Looking for big to have the roof redone and the pavilion or the bathrooms, etc. And friends park on UNFORTUNATELY WE ENDED UP TONIGHT WITH ONE BED, as opposed to the three that we needed

68

00:09:27.720 --> 00:09:38.550

Nancy: And one is coming in tonight and there'll be another one before the week is out. So I will be bringing this up again to replace the fence and the backstop

69

00:09:39.240 --> 00:09:52.350

Nancy: In France, far the funds will not come out of taxpayers dollars but once come out of a thing called subdivision funding that is really dedicated to do just what I'm asking everyone to

70

00:09:53.190 --> 00:10:15.720

Nancy: To approve at the right time and the vids I'm absolutely sure will come in. Well, under the 2000 \$10,000 cap so I may ask for an executive session to approve this before the next meeting. If not, we will be looking to approve the app, the next town board meeting.

71

00:10:17.280 --> 00:10:30.330

Clinton Supervisor Ray Oberly: Contaminants one, we do not hold it like to live sessions to award bids because they gotta be publicly done executive session is not normally open to the public. So that's one problem.

72

00:10:30.690 --> 00:10:31.080

Okay.

73

00:10:32.340 --> 00:10:39.360

Clinton Supervisor Ray Oberly: It's nice to take the money out of it. We are not having more subdivision. So as we take money out and I'm just

74

00:10:39.720 --> 00:10:57.810

Clinton Supervisor Ray Oberly: A cautionary statement not replenishing because we've had no subdivisions to replenish the money. So it's a balance. What is always we're spending down future uses of money. And I'm not saying it's right or wrong. I'm just pointing that out as a column.

75

00:10:57.930 --> 00:11:01.950

Nancy: And thank you for making that point. But this is an ongoing for years.

76

00:11:01.950 --> 00:11:15.930

Nancy: She hasn't been redone in 25 years if we're going to open the park next year. Hopefully it's called it, you know, allows and we want it to be safe. It's very questionable this one.

77

00:11:16.500 --> 00:11:18.000

Chris Juliano Council Person: Do you have an idea.

78

00:11:18.000 --> 00:11:30.270

Nancy: For a group I'm talking. No, that's the next thing we're talking about the sensing is the highway department has short up the fencing continually over the last three years to keep it usable.

79

00:11:30.660 --> 00:11:40.680

Nancy: We can't do that anymore. The fencing is in bad shape. And if we're going to use utilize the park in any way we absolutely need to spend this money okay

80

00:11:41.070 --> 00:11:44.490

Chris Juliano Council Person: Do we have an idea of how much money's in that subdivision.

81

00:11:45.180 --> 00:11:46.650

Nancy: About 98,000

82

00:11:47.280 --> 00:11:49.680

Chris Juliano Council Person: So it's been sitting in. No one's we haven't used it.

83

00:11:51.030 --> 00:11:54.060

Nancy: I've never used that that I know of. And yours.

84

00:11:54.750 --> 00:12:06.840

Dean Michael: Is I mean that's not necessarily true. We got a grant, but we have been using it, you know, here and there, like, kitchen stove and those type of things. But you know, that's what the money is therefore, it's not like you know

85

00:12:08.220 --> 00:12:22.200

Dean Michael: We're losing the money we're investing in the park and if we don't do the work on the buildings, they're just going to be even more worse shape and it's going to cost us more money to redo them. So it's not it's not a waste of money. So

86

00:12:22.350 --> 00:12:24.540

Dean Michael: And I'm sorry, I should have announced, it's been Michael

87

00:12:24.930 --> 00:12:32.400

Nancy: No, that's, that's, you're absolutely right. And I wasn't aware that we use it for this. So, but, yeah, and

88

00:12:33.480 --> 00:12:55.440

Nancy: We've got another issue, besides the fence and the backstop being safe and being usable for next year. If we're allowed to so that there's no place else to get that money. There are no currently unless the census changes the way the town looks today.

89

00:12:55.620 --> 00:13:01.140

Nancy: We have no way to get grants to improve the property and friends. Okay.

90

00:13:01.560 --> 00:13:01.860

Clinton Supervisor Ray Oberly: That's

91

00:13:01.920 --> 00:13:03.120

Nancy: That's the only source.

92

00:13:03.510 --> 00:13:10.740

Clinton Supervisor Ray Oberly: That's properly true Community Development Block Grant was available.

93

00:13:11.580 --> 00:13:20.310

Clinton Supervisor Ray Oberly: For that area of town for the parks before it was only friend Mark part that we could do anything to this year it was available there.

94

00:13:20.610 --> 00:13:33.390

Clinton Supervisor Ray Oberly: But the decision to use that money was reallocated at the county level to take care of. I'll say needy people needing food or electricity or something like that. So it's all

95

00:13:34.020 --> 00:13:47.280

Clinton Supervisor Ray Oberly: Verdict for that purpose this year or next year they truly open up like a normal Community Development Block Grant to buy playground equipment what boys in or whatever is appropriate.

96

00:13:49.080 --> 00:13:49.740

Nancy: Okay.

97

00:13:50.310 --> 00:14:00.210

Nancy: Unless I'm wrong. Ray Yeah, I was told by you on more than one occasion that because of the census and because of the difference in the median.

98

00:14:00.900 --> 00:14:10.650

Nancy: Salary and so on. And the two parts of the town that this side of the town for friends was not qualified to get block grants. That's what she told me

99

00:14:10.830 --> 00:14:16.530

Clinton Supervisor Ray Oberly: That was as of last year, please, seeking five years is that was truth.

100

00:14:17.880 --> 00:14:23.250

Clinton Supervisor Ray Oberly: Year, it moved the boundary move to the other part of town. Okay.

101

00:14:23.370 --> 00:14:29.370

Nancy: Well, if that's changed, we certainly could apply for block grant, but we need to do something.

102

00:14:29.430 --> 00:14:30.510

Clinton Supervisor Ray Oberly: Next year is for a

103

00:14:30.630 --> 00:14:35.280

Clinton Supervisor Ray Oberly: Lot of ISSUE. ISSUE. The moment we all came by any level. Yep.

104

00:14:36.120 --> 00:14:44.760

Nancy: Okay. That's number one. Number two. Again, we're talking friend spark for the fencing.

105

00:14:45.930 --> 00:14:50.550

Nancy: The backstop and the fencing itself.

106

00:14:51.630 --> 00:15:03.960

Nancy: We can't do much more with it. I mean, it's leaning, it's not really usable and unfortunately that's going to cost a lot more than what we can do.

107

00:15:05.040 --> 00:15:20.220

Nancy: The just the simple vote, we would have to get go out for debts. If it's the board approval set and actually have that done. And that's probably going to be in the neighborhood of about \$40,000

108

00:15:20.700 --> 00:15:29.760

Nancy: To replace on that. So it's something that we're gonna have to look at in the next few meetings and talk about it more. All right.

109

00:15:31.140 --> 00:15:44.340

Nancy: I just wanted to give everybody a heads up Prince Park needs a lot of work. We have other issues that I'm not going to bring up tonight with drainage and flooding and so on. But right now, they're the two main issues.

110

00:15:45.360 --> 00:15:45.780

Okay.

111

00:15:48.750 --> 00:15:49.260

Clinton Supervisor Ray Oberly: Okay.

112

00:15:49.650 --> 00:15:50.190

Michael Whitton, Councilmember: Thanks, Nancy.

113

00:15:54.300 --> 00:15:54.900

Clinton Supervisor Ray Oberly: Nancy

114

00:15:55.350 --> 00:15:55.920

Okay.

115

00:15:57.000 --> 00:15:59.070

Nancy: New business. Yes. Okay.

116

00:16:04.230 --> 00:16:22.470

Nancy: The position the position of dog Control Officer previously occupied by James Riley require taking an oath of office. Each year, the board has determined that the author bosses was not taken in 2000 and

117

00:16:23.340 --> 00:16:30.210

Nancy: Therefore, the position of dog Control Officer must be considered vacant.

118

00:16:31.020 --> 00:16:49.350

Nancy: Okay, as a result of that, and that being said, I want to make a motion that the town board approved at the position of dog Control Officer formerly held by James Riley, be considered vacant due to failing to file an oath of office.

119

00:16:50.670 --> 00:16:51.690

Michael Whitton, Councilmember: Within second

120

00:16:52.800 --> 00:16:53.880

Clinton Supervisor Ray Oberly: Further discussion.

121

00:16:56.130 --> 00:16:59.460

Clinton Supervisor Ray Oberly: Roll call vote overly I calling him.

122

00:16:59.700 --> 00:17:01.530

Clinton Supervisor Ray Oberly: On Giuliano

123

00:17:01.890 --> 00:17:03.360

Clinton Supervisor Ray Oberly: Hi Michael

124

00:17:03.930 --> 00:17:04.980

Dean Michael: I will

125

00:17:05.730 --> 00:17:07.290

Clinton Supervisor Ray Oberly: I will keep carrying

126

00:17:11.280 --> 00:17:26.280

Michael Whitton, Councilmember: In light of the previous motion. I make a motion to approve the following resolution be resolved that the town board approves resolution number 37 of 2020 approving dog control services agreement with Dutchess County ASPCA

127

00:17:26.730 --> 00:17:37.080

Michael Whitton, Councilmember: And that the town supervisor here by is authorized empowered and directed to execute the attached dog control services agreement and to take any and all actions necessary to implement the provisions of set agreement.

128

00:17:37.830 --> 00:17:39.960

Chris Juliano Council Person: Second Giuliano second

129

00:17:41.520 --> 00:17:42.090

Clinton Supervisor Ray Oberly: Shimon

130

00:17:42.390 --> 00:17:42.690

Yep.

131

00:17:44.850 --> 00:17:47.370

Clinton Supervisor Ray Oberly: What are we going to be doing with own planes.

132

00:17:47.970 --> 00:18:00.780

Michael Whitton, Councilmember: So we had this discussion over email pine plains. The, the contract that we signed with them. Just set out how much it would cost the town to house dogs there, but it didn't say that we were required to exclusively use them as the housing.

133

00:18:01.530 --> 00:18:12.360

Michael Whitton, Councilmember: For the dogs. So we are under no obligation to house dogs at Pine plains. It was just an agreement of if we did this year, how much it would cost us until December 31

134

00:18:12.870 --> 00:18:21.300

Michael Whitton, Councilmember: But we can help them wherever we choose. Now, this first motion that I made is for dog control services. The next motion is actually for the dog control housing.

135

00:18:24.210 --> 00:18:39.630

Michael Whitton, Councilmember: But either way, we shouldn't where I sent it to shame to have him look it over and he agreed that we are not obligated to house dogs at Pine plains and I regret that I like them. But when we use ASPCA we have to use their services.

136

00:18:40.290 --> 00:18:46.620

Clinton Supervisor Ray Oberly: No, we don't. But other times that use them as a pickup place but they take them to other vets two houses.

137

00:18:47.520 --> 00:18:47.820

Michael Whitton, Councilmember: So,

138

00:18:47.880 --> 00:18:51.750

Clinton Supervisor Ray Oberly: We're not doing anything different. Okay. Any further discussion.

139

00:18:53.550 --> 00:18:55.860

Clinton Supervisor Ray Oberly: Roll call vote overly I plenty

140

00:18:56.430 --> 00:18:57.030

Time.

141

00:19:00.390 --> 00:19:00.900

Clinton Supervisor Ray Oberly: No.

142

00:19:01.350 --> 00:19:01.620

Chris Juliano Council Person: I

143

00:19:01.920 --> 00:19:05.220

Dean Michael: Won't go. All right. Well, I

144

00:19:05.520 --> 00:19:05.700

Know,

145

00:19:08.070 --> 00:19:16.050

Michael Whitton, Councilmember: Next item is. I make a motion to approve the following resolution, be it resolved that the town board approves resolution number 38 of 2020

146

00:19:16.410 --> 00:19:31.080

Michael Whitton, Councilmember: Approving dog control housing agreement with Dutchess County ASPCA and that the town supervisor is hereby authorized empowered and directed to execute the attached dog control housing agreement and to take any and all actions necessary to implement the provisions of set agreement.

147

00:19:32.280 --> 00:19:33.180

Clinton Supervisor Ray Oberly: Is our second

148

00:19:34.320 --> 00:19:36.060

Dean Michael: Second. Okay.

149

00:19:36.300 --> 00:19:38.430

Clinton Supervisor Ray Oberly: They have a little discussion just

150

00:19:39.810 --> 00:19:43.710

Clinton Supervisor Ray Oberly: Wouldn't it be nice to install content, you're not going to do it. They're just so he doesn't

151

00:19:44.130 --> 00:19:45.300

Clinton Supervisor Ray Oberly: Know he is

152

00:19:45.390 --> 00:19:46.830

Clinton Supervisor Ray Oberly: Common business practice.

153

00:19:47.220 --> 00:19:48.420

Michael Whitton, Councilmember: Sure, I'll call them tomorrow.

154

00:19:48.690 --> 00:19:51.420

Clinton Supervisor Ray Oberly: Okay, I just, I think it's unfair, but

155

00:19:51.930 --> 00:19:55.530

Michael Whitton, Councilmember: I, I feel bad. I mean, I bring my own dogs there. No, I get it.

156

00:19:56.280 --> 00:19:58.650

Clinton Supervisor Ray Oberly: Yeah, it's all just business about

157

00:19:58.980 --> 00:20:02.250

Clinton Supervisor Ray Oberly: Yeah, okay. Roll call vote overly I

158

00:20:04.020 --> 00:20:04.860

Clinton Supervisor Ray Oberly: Funny him.

159

00:20:05.070 --> 00:20:07.020

Clinton Supervisor Ray Oberly: Hi. Hello.

160

00:20:07.320 --> 00:20:07.620

Hi.

161

00:20:08.640 --> 00:20:09.390

Clinton Supervisor Ray Oberly: Michael

162

00:20:09.900 --> 00:20:11.910

Clinton Supervisor Ray Oberly: I when

163

00:20:12.360 --> 00:20:14.010

Clinton Supervisor Ray Oberly: I motion carry

164

00:20:15.300 --> 00:20:18.420

Clinton Supervisor Ray Oberly: Okay, next sale of surplus highway equipment.

165

00:20:19.650 --> 00:20:20.280

Chris Juliano Council Person: Or right

166

00:20:21.660 --> 00:20:22.230

Chris Juliano Council Person: So,

167

00:20:23.730 --> 00:20:25.020

Chris Juliano Council Person: We had a pretty good.

168

00:20:26.700 --> 00:20:39.060

Chris Juliano Council Person: Auction on equipment, there's only a few things that on the original list that isn't going to be sold through the list. And I just want to go over why

169

00:20:39.720 --> 00:20:57.690

Chris Juliano Council Person: They just didn't meet their minimums was number eight on the list, which was the 1994 Ford F 700 truck. The 1994 Ford F mothers, two of them. I thought one was 9493

170

00:20:58.890 --> 00:21:16.290

Chris Juliano Council Person: But both of them are not dated meet their quotes were an end up using them since we did put some work into them over this past year, just for this year and then we'll come next year, they will be moved out and retired. Totally. And then we have a 1990 international

171

00:21:17.820 --> 00:21:29.700

Chris Juliano Council Person: Truck that we're going to keep and use that just for just having as a backup or that just so on the on our app. Everything else did pretty well. So I want to make a

172

00:21:31.380 --> 00:21:43.830

Chris Juliano Council Person: Let me see. Make a motion to approve the following resolution, be it resolved that the town board approves the sale of highway surplus items through absolute auctions as listed on attachment be

173

00:21:44.820 --> 00:21:45.240

Clinton Supervisor Ray Oberly: Will learn

174

00:21:46.650 --> 00:21:47.580

Dean Michael: In microseconds.

175

00:21:51.060 --> 00:21:53.640

Clinton Supervisor Ray Oberly: All favor. Oh, you're

176

00:21:55.170 --> 00:21:57.150

Clinton Supervisor Ray Oberly: Overly I funding him.

177

00:21:57.390 --> 00:21:58.830

Nancy: I you

178

00:21:59.250 --> 00:22:00.480

Chris Juliano Council Person: Know I

179

00:22:01.590 --> 00:22:02.460

Clinton Supervisor Ray Oberly: My goal.

180

00:22:02.880 --> 00:22:04.650

Clinton Supervisor Ray Oberly: I when

181

00:22:05.070 --> 00:22:08.550

Clinton Supervisor Ray Oberly: I can carry. Okay, next one.

182

00:22:09.360 --> 00:22:20.310

Chris Juliano Council Person: Okay, the next one is going to be emotion for and there's another attachment here for surplus items, then this is non highway department.

183

00:22:21.540 --> 00:22:24.690

Chris Juliano Council Person: Goods that's been sitting around since since

184

00:22:25.890 --> 00:22:33.750

Chris Juliano Council Person: Let pit in the winter. We did away with the way swell furnace. So we're going to be auctioning off the way swell furnace in the holding tank.

185

00:22:34.530 --> 00:22:46.050

Chris Juliano Council Person: double wall a 500 gallon tank others to air handlers to condense actually three different condenser is that we're I think we're us originally when

186

00:22:47.910 --> 00:22:54.330

Chris Juliano Council Person: The buildings were getting redone. And then just for a short period of time. So we set the bids.

187

00:22:54.840 --> 00:23:06.000

Chris Juliano Council Person: Reserve bids on that so that equipment that's been sitting in the back. We're looking to move that out and that would go into the town fund on that. So I'd like to make motion.

188

00:23:06.900 --> 00:23:20.940

Chris Juliano Council Person: That the board and town board approves the following resolution be resolved at the town board approves sale of non highway 2020 surplus items labeled attachment see through absolute washes with the minimum reserves listed

189

00:23:21.450 --> 00:23:22.470

Clinton Supervisor Ray Oberly: Will help them.

190

00:23:25.140 --> 00:23:25.350

Michael Whitton, Councilmember: With

191

00:23:25.590 --> 00:23:26.340

Michael second

192

00:23:27.900 --> 00:23:28.920

Any discussion.

193

00:23:30.630 --> 00:23:32.760

Clinton Supervisor Ray Oberly: Roll call vote over the I

194

00:23:35.160 --> 00:23:36.360

Clinton Supervisor Ray Oberly: Giuliano

195

00:23:36.930 --> 00:23:38.520

Clinton Supervisor Ray Oberly: I Witten

196

00:23:38.970 --> 00:23:40.560

Clinton Supervisor Ray Oberly: Hi Michael

197

00:23:41.010 --> 00:23:42.810

Dean Michael: Hi honey him.

198

00:23:46.080 --> 00:23:47.730

Clinton Supervisor Ray Oberly: Okay, he carried

199

00:23:49.740 --> 00:23:53.100

Clinton Supervisor Ray Oberly: It actually override of the tax cap.

200

00:23:55.080 --> 00:23:56.430

Clinton Supervisor Ray Oberly: quick background on it.

201

00:23:57.900 --> 00:24:10.170

Clinton Supervisor Ray Oberly: If and who knows what the number is going to be this year with all the reduction in revenues. Some of the expenses are going up because inflation.

202

00:24:10.980 --> 00:24:22.980

Clinton Supervisor Ray Oberly: Whether we're going to maintain the tax cap. I don't really know we've got no official number for the tax cap for this year, I've heard a rumor that being like about 1.6%

203

00:24:23.550 --> 00:24:39.780

Clinton Supervisor Ray Oberly: That that's just rumored. I don't know if that's the real number that's going to occur. So what we have to do is you have to pass a local law to allow us to exceed if that happens, and not all occurred during the budget process cycle.

204

00:24:41.010 --> 00:24:49.530

Clinton Supervisor Ray Oberly: If you don't do it so that it's passed before the budget gets approved, you can't exceed it. OK.

205

00:24:51.780 --> 00:25:07.620

Clinton Supervisor Ray Oberly: So the only outlet, we have to be prepared. Now, in the past, we done these for the most part we never exceeded it in many cases. So it just disappeared. But you need this relief to just be safe.

206

00:25:09.060 --> 00:25:24.810

Clinton Supervisor Ray Oberly: So I make a motion to approve the following resolution we resolve that the town board approves resolution number 39 or 2020 a local law to override the tax levy limit for fiscal year 2021

207

00:25:25.410 --> 00:25:35.730

Clinton Supervisor Ray Oberly: And further that a public hearing will be held on October 13 2020 at the town of putting town hall 1215 center road Rhinebeck

208

00:25:36.570 --> 00:25:51.660

Clinton Supervisor Ray Oberly: New York at 6:15pm prevailing time or as soon thereafter, as a matter can be reached on the agenda, pursuant to New York State general in the civil law three dash see isn't

209

00:25:54.090 --> 00:25:54.960

Be Michael second

210

00:25:56.040 --> 00:25:57.390

Dean Michael: Any further discussion.

211

00:25:58.650 --> 00:26:05.190

Michael Whitton, Councilmember: The only thing that I'm wondering what our process is going to be for a public hearing because up till this point we have said that we can't do them.

212

00:26:06.060 --> 00:26:06.720

Clinton Supervisor Ray Oberly: Well,

213

00:26:06.810 --> 00:26:08.760

Clinton Supervisor Ray Oberly: This is just before the board meeting.

214

00:26:09.690 --> 00:26:13.410

Michael Whitton, Councilmember: I know how are you going to do it. Are we doing it live at the town hall.

215

00:26:14.490 --> 00:26:15.090

Clinton Supervisor Ray Oberly: On Wall.

216

00:26:15.570 --> 00:26:15.900

Clinton Supervisor Ray Oberly: And it

217

00:26:15.930 --> 00:26:21.270

Michael Whitton, Councilmember: Or doing that. Why can't we start opening up our meetings to start having public hearings for everything.

218

00:26:21.270 --> 00:26:22.980

Clinton Supervisor Ray Oberly: Else to see how this workshop

219

00:26:23.820 --> 00:26:26.940

Clinton Supervisor Ray Oberly: All of the stuff that the only buddy home.

220

00:26:28.410 --> 00:26:33.060

Chris Juliano Council Person: Well, I, you know, since we're talking about the public, you know, public meetings here.

221

00:26:34.380 --> 00:26:42.330

Chris Juliano Council Person: I don't see a reason I did speak to Fred earlier on regarding duties of going back to regular public meetings.

222

00:26:43.080 --> 00:26:50.520

Chris Juliano Council Person: We can get the we have probably most of the equipment to set up to still run YouTube Live like we're doing right now.

223

00:26:51.180 --> 00:27:00.990

Chris Juliano Council Person: We can have up to I seen some towns were doing some something by reservation on certain things to come and talk to. I think we can have about 18 people in there.

224

00:27:01.500 --> 00:27:20.040

Chris Juliano Council Person: So we can run YouTube as well as cable so covers both are avenues on that. I still think we should start working out, get kind of getting some sort of hybrid system going back in with these meetings and that will also give us some time for, you know, trying to work out.

225

00:27:21.570 --> 00:27:25.410

Chris Juliano Council Person: You know, when we start getting into this process here. I don't see any reason we can't

226

00:27:26.850 --> 00:27:30.330

Clinton Supervisor Ray Oberly: So far we have the restriction from the governor

227

00:27:32.790 --> 00:27:44.070

Michael Whitton, Councilmember: And the thing, the thing is that other towns have been able to get around this. I was talking to a friend of mine who's on the school board. It's a school board and Putnam valley, but, um, they're, they're able to

228

00:27:45.390 --> 00:27:48.930

Michael Whitton, Councilmember: Invite only a limited number of people live because there's limits on the room.

229

00:27:49.170 --> 00:27:56.340

Michael Whitton, Councilmember: But they have been able to do zoom meetings where anybody can show up and people use that little thing at the bottom called chat. Everybody is muted except for the town board members.

230

00:27:56.490 --> 00:28:01.050

Michael Whitton, Councilmember: And if anybody has a public comment, they type it in the chat. When they get to the public comment section. They read

231

00:28:01.590 --> 00:28:15.480

Michael Whitton, Councilmember: The chat. So everybody has the opportunity to either show up live until the capacity of the room is set, and if not, then they do it via zoom and they can go via chat and we can also invite anybody to email comments beforehand or whatever.

232

00:28:17.370 --> 00:28:19.830

Clinton Supervisor Ray Oberly: It's an operational problem. You got to solve.

233

00:28:19.860 --> 00:28:20.430

Clinton Supervisor Ray Oberly: Okay, and I

234

00:28:20.640 --> 00:28:22.140

Michael Whitton, Councilmember: I think we've had six months, we need to

235

00:28:22.500 --> 00:28:27.120

Chris Juliano Council Person: Do. But I agree with you, Mike on that. I think it's time to start moving forward on that.

236

00:28:27.240 --> 00:28:27.570

Yeah.

237

00:28:29.520 --> 00:28:29.970

Clinton Supervisor Ray Oberly: So,

238

00:28:31.080 --> 00:28:45.150

Chris Juliano Council Person: Other towns are working out other issues and we're sitting here just running the you know the the minimum that we have to I've spoken other towns and I've seen that them you know come in with ways to do a hybrid session.

239

00:28:45.420 --> 00:28:47.100

Chris Juliano Council Person: Or we have to start looking into that.

240

00:28:47.370 --> 00:28:54.630

Clinton Supervisor Ray Oberly: Open zoom mo nothing also Ted zoom live YouTube and everybody can go on zoom

241

00:28:55.080 --> 00:29:00.000

Chris Juliano Council Person: And and and we can we can and we can do live YouTube as well. So you got the cable.

242

00:29:01.020 --> 00:29:01.950

Chris Juliano Council Person: Cable. Yeah.

243

00:29:03.570 --> 00:29:07.920

Clinton Supervisor Ray Oberly: Yeah, but we do zoom for everything else for me to do it on that.

244

00:29:08.580 --> 00:29:15.300

Michael Whitton, Councilmember: So. So in the end, I'm saying that I'm happy that we're going to do a public hearing next month, but I think we take this month to figure out

245

00:29:15.480 --> 00:29:16.200

Michael Whitton, Councilmember: I know we have to

246

00:29:16.530 --> 00:29:19.140

Michael Whitton, Councilmember: So I think we take this month to work out.

247

00:29:19.200 --> 00:29:25.440

Michael Whitton, Councilmember: Right. And if you can with Fred to work out ways that we can have public hearings going forward. Yeah, okay.

248

00:29:29.070 --> 00:29:30.180

Clinton Supervisor Ray Oberly: Any further discussion.

249

00:29:31.710 --> 00:29:34.920

Clinton Supervisor Ray Oberly: Hi Michael

253

00:29:40.380 --> 00:29:40.740

Hi.

254

00:29:42.030 --> 00:29:42.390

Dean Michael: I

255

00:29:42.810 --> 00:29:56.130

Clinton Supervisor Ray Oberly: Motion turn to the next one is a formality. Somehow I gotta give the term what to the town clerk in a town first started, give it to the

256

00:29:57.180 --> 00:30:04.680

Clinton Supervisor Ray Oberly: Council people and a regular meeting. So we just do a three minute meeting and morning to just transfer the paper.

257

00:30:05.790 --> 00:30:22.020

Clinton Supervisor Ray Oberly: And make emotion at the town board approves the following resolution, be it resolved that the town or approves only October 1 2020 special meeting at 8:30am in person to distribute 2021 tentative budget to town board.

258

00:30:23.160 --> 00:30:23.760

Clinton Supervisor Ray Oberly: Second,

259

00:30:25.050 --> 00:30:25.530

Chris Juliano Council Person: Julian.

260

00:30:25.710 --> 00:30:27.840

Clinton Supervisor Ray Oberly: Michael second. Okay.

261

00:30:28.140 --> 00:30:29.310

In further discussion.

262

00:30:30.330 --> 00:30:33.720

Clinton Supervisor Ray Oberly: On a roll call overly I Cunningham.

263

00:30:34.740 --> 00:30:35.700

Clinton Supervisor Ray Oberly: Giuliana

264

00:30:36.030 --> 00:30:37.590

Clinton Supervisor Ray Oberly: Hi Michael

265

00:30:38.880 --> 00:30:40.140

Dean Michael: What can I

266

00:30:40.500 --> 00:30:41.490

Clinton Supervisor Ray Oberly: Motion, Terry.

267

00:30:42.750 --> 00:30:46.410

Clinton Supervisor Ray Oberly: Okay, no into resignations and appointment.

268

00:30:47.280 --> 00:30:52.770

Nancy: Okay, there are some activity in the justice courts, we had a Justice Court constable.

269

00:30:54.480 --> 00:31:10.950

Nancy: Robert Williams, who has turned in his resignation. And so I'd like to make a motion that to the town board improves the accepted restoration of Constable Robert Williams affected.

270

00:31:11.010 --> 00:31:19.440

Chris Juliano Council Person: 827 22nd Giuliana second. Okay.

271

00:31:19.800 --> 00:31:20.490

Discussion.

272

00:31:21.990 --> 00:31:24.990

Clinton Supervisor Ray Oberly: Roll Call overly I turning him.

273

00:31:25.290 --> 00:31:27.360

Clinton Supervisor Ray Oberly: I Giuliano

274

00:31:27.810 --> 00:31:29.160

Clinton Supervisor Ray Oberly: Hi Michael

275

00:31:30.210 --> 00:31:30.450

Dean Michael: Hi.

276

00:31:31.170 --> 00:31:31.800

Witten

277

00:31:33.030 --> 00:31:34.260

Motion carry

278

00:31:36.300 --> 00:31:50.370

Nancy: Next is a resignation of the recreation seasonal maintenance person Ryan makin Ryan has a is leaving the town to go to another town locally.

279

00:31:51.300 --> 00:32:02.940

Nancy: For a different job opportunity, I would like to personally thank Ryan, for the excellent job that he's done this year on cemeteries and and parks.

280

00:32:03.510 --> 00:32:17.280

Nancy: I don't think they've ever looked better. So I'd like to make emotion that the town board, except the resignation of recreation seasonal maintenance person Ryan executive September for 2020

281

00:32:18.720 --> 00:32:19.320

Clinton Supervisor Ray Oberly: Second,

282

00:32:19.920 --> 00:32:20.850

Dean Michael: A Michael second

283

00:32:21.540 --> 00:32:22.770

Clinton Supervisor Ray Oberly: Discussion, I have

284

00:32:23.850 --> 00:32:46.650

Clinton Supervisor Ray Oberly: We can accept his resignation, because we've never been able to put him on the town payroll because he does not qualify as a maintenance man and I sent you an email several weeks ago saying that he can either be a deputy something or other, or do or does. So we got all

285

00:32:47.640 --> 00:32:52.380

Nancy: Right, great and recreation season. That's it. Okay.

286

00:32:53.370 --> 00:32:55.290

Michael Whitton, Councilmember: We got an opinion from the town clerk here.

287

00:32:56.010 --> 00:32:57.210

Nancy: It's a semantics here.

288

00:32:57.540 --> 00:32:59.790

Nancy: Rick mentioned seasonal important

289

00:33:00.690 --> 00:33:06.450

Town Clerk Carol Mackin: I think Ray is referring to the list of titles that come from the county

290

00:33:06.810 --> 00:33:13.620

Clinton Supervisor Ray Oberly: Tony titles that we can put them in a won't accept them right now. So as far as account is concerned, he's not a point here.

291

00:33:15.570 --> 00:33:19.980

Nancy: So what do I do now that now finding this out now I

292

00:33:20.040 --> 00:33:21.390

Clinton Supervisor Ray Oberly: sent you an email, two weeks.

293

00:33:21.510 --> 00:33:21.840

Nancy: Now,

294

00:33:21.930 --> 00:33:28.140

Clinton Supervisor Ray Oberly: I did not get any mining several of these positions you know we're coming up that you should take a how you're going to handle

295

00:33:28.710 --> 00:33:40.830

Clinton Supervisor Ray Oberly: Now I didn't know he was resigning okay at that time they said we couldn't put them in that position because we don't have he wasn't qualified for mobile. He never did construction work.

296

00:33:41.880 --> 00:33:43.950

Michael Whitton, Councilmember: Good. So let me. So let me ask this question.

297

00:33:44.160 --> 00:33:45.450

Michael Whitton, Councilmember: His rhying getting paid.

298

00:33:46.620 --> 00:33:47.880

Michael Whitton, Councilmember: As rhyming getting paid.

299

00:33:47.970 --> 00:33:52.110

Michael Whitton, Councilmember: And he'll get to you get paid for his hours and then when he stops working. He's not going to get paid.

300

00:33:53.310 --> 00:33:53.820

Michael Whitton, Councilmember: Okay.

301

00:33:56.940 --> 00:34:01.140

Clinton Supervisor Ray Oberly: We can take them off the payroll without him being put on the payroll.

302

00:34:02.880 --> 00:34:05.880

Chris Juliano Council Person: We approve him over the springtime on that.

303

00:34:07.350 --> 00:34:09.870

Clinton Supervisor Ray Oberly: He was not qualified to do

304

00:34:10.230 --> 00:34:16.170

Michael Whitton, Councilmember: I know what you're saying that you can't put them on the payroll. Because we can't take them off, unless we put them on, but he's been getting paid.

305

00:34:17.040 --> 00:34:22.260

Clinton Supervisor Ray Oberly: Understand its totality rules. I mean, I don't make this stuff up.

306

00:34:22.410 --> 00:34:24.840

Nancy: We have seasonal employees.

307

00:34:27.150 --> 00:34:41.790

Nancy: We have seasonal employees. Their on their register down at the county. Okay, that's what he was originally supposed to be a seasonal employee. That's what he's being paid \$15 an hour.

308

00:34:42.480 --> 00:35:01.110

Nancy: All summer law. So then I could make remake emotion to the town board, except the resignation of seasonal employees reparation seasonal employee, right, Brian. Brian makin EFFECTIVE SEPTEMBER 4 2000 and

309

00:35:03.180 --> 00:35:08.130

Clinton Supervisor Ray Oberly: You have to send the prior one according to them as a maintenance guy.

310

00:35:08.910 --> 00:35:14.460

Michael Whitton, Councilmember: Okay, so my question is this. He stopped working. He's gonna stop getting paid if we do nothing.

311

00:35:16.410 --> 00:35:17.400

Michael Whitton, Councilmember: What happens

312

00:35:17.880 --> 00:35:23.490

Clinton Supervisor Ray Oberly: With Tony's going to find when we send in try to send in to make it complete

313

00:35:24.210 --> 00:35:24.540

Okay.

314

00:35:27.480 --> 00:35:29.130

Nancy: Well, I just don't understand that.

315

00:35:29.460 --> 00:35:34.680

Town Clerk Carol Mackin: You have, do you have the proper titles that would have qualified

316

00:35:34.770 --> 00:35:41.430

Clinton Supervisor Ray Oberly: I don't have any memory. I think it's definitely maintenance is one, but I don't know. There's another one, but I just can't remember what it is.

317

00:35:41.790 --> 00:35:45.630

Town Clerk Carol Mackin: And what he have been appointed the deputy maintenance.

318

00:35:46.050 --> 00:35:50.220

Clinton Supervisor Ray Oberly: Could have been, but he was appointed maintenance look up

319

00:35:50.280 --> 00:35:54.720

Town Clerk Carol Mackin: He was appointed seasonal maintenance and he should have been deputy maintenance.

320

00:35:56.610 --> 00:36:10.950

Town Clerk Carol Mackin: Nancy, do you want to resend his seasonal maintenance appoint him to deputy maintenance and then accept his resignation for deputy maintenance. Yes. Right.

321

00:36:11.970 --> 00:36:12.360

Nancy: Okay.

322

00:36:12.870 --> 00:36:14.640

Nancy: So like the mecca motion that the

323

00:36:14.640 --> 00:36:21.060

Nancy: Town board approved Ryan makin as seasonal deputy maintenance.

324

00:36:23.520 --> 00:36:24.060

325

00:36:25.920 --> 00:36:26.640

Clinton Supervisor Ray Oberly: Together we

326

00:36:29.220 --> 00:36:29.760

Dean Michael: Are

327

00:36:30.030 --> 00:36:31.410

Town Clerk Carol Mackin: We're going to resend

328

00:36:32.430 --> 00:36:35.910
