That.

220
00:28:15.210 --> 00:28:22.830
Clinton Supervisor Ray Oberly: That this is the motion that I talked
about earlier where we're just changing the definition to include the
municipal.

221
00:28:24.090 --> 00:28:28.710

222
00:28:30.570 --> 00:28:37.560
Clinton Supervisor Ray Oberly: and make a motion to approve the following resolution, be it resolved that the town board approves resolution number 14 of.

227
00:29:09.000 --> 00:29:11.790
Clinton Supervisor Ray Oberly: roll call vote overly I Cunningham.

228
00:29:12.210 --> 00:29:13.950
Clinton Supervisor Ray Oberly: Right Giuliano.

229
00:29:14.280 --> 00:29:18.810
Clinton Supervisor Ray Oberly: I might go option within.

230
00:29:19.200 --> 00:29:21.000
Clinton Supervisor Ray Oberly: I motion Gary.

231
00:29:22.110 --> 00:29:33.570
Chris Juliano: I just want to say not nothing new this Dean sent me a text somehow his computer got shut down shut down on them so he's trying to log back in So hopefully we'll be back here shortly.

232
00:29:40.650 --> 00:29:54.810
Clinton Supervisor Ray Oberly: When next one is sort of a repeat of an earlier resolution we made with some word smithing required by the assessment so resending the earlier one.

Clinton Supervisor Ray Oberly: and adopting in the world, I make a motion to approve the following resolution, be it resolved that the town board approves resolution number 15 of 2021.

234
00:30:07.290 --> 00:30:23.010
Clinton Supervisor Ray Oberly: To extend that 2021 assessment roll the renewal of exemptions received in 2024 a eligible perks persons age 65 and older and eligible persons with disabilities.

235
00:30:23.340 --> 00:30:38.400
Clinton Supervisor Ray Oberly: Unlimited income dispensing with the need for renewal application from such qualified person and rescinding town board resolution number 57 of 2020 is there a second.

236
00:30:39.540 --> 00:30:40.470
Chris Juliano: Giuliana second.

237
00:30:41.880 --> 00:30:42.900
Clinton Supervisor Ray Oberly: Further discussion.

238
00:30:44.700 --> 00:30:48.120
Clinton Supervisor Ray Oberly: Okay roll call overly I Cunningham.

239
00:30:49.350 --> 00:30:53.910
Clinton Supervisor Ray Oberly: Giuliano I might go absent Whitman.

240
00:30:54.180 --> 00:30:55.920
Clinton Supervisor Ray Oberly: I motion carry.

241
00:31:02.280 --> 00:31:06.810
Clinton Supervisor Ray Oberly: Okay, the next one is the fund balance policy would be my guess.

242
00:31:07.320 --> 00:31:10.980
Michael Whitton, Councilmember: So the fund balance policy was something we were discussing before coven.

243
00:31:12.510 --> 00:31:19.020
Michael Whitton, Councilmember: And then coven pause everything I have changed I don't know how many months it's been but I haven't changed anything in it.

244
00:31:19.980 --> 00:31:20.520
Clinton Supervisor Ray Oberly: A year.

00:31:20.640 --> 00:31:26.880
Michael Whitton, Councilmember: yeah it's almost a year now, but
nothing has changed in the policy with shane so I just wanted to
reintroduce it.

246
00:31:27.840 --> 00:31:34.290
Michael Whitton, Councilmember: So that we can finally get a vote on
it, maybe next month, so I make a motion to approve the following
resolution.

247
00:31:35.010 --> 00:31:52.530
Michael Whitton, Councilmember: be resolved that the town board
approves resolution number 16 to 2021 introducing proposed local law
number of 2021 titled fund balance policy and setting a public hearing
on march ninth 2021 at 6:25pm via zoom I which time the public can be
heard, concerning the proposed local law.

248
00:31:53.910 --> 00:31:54.780
Clinton Supervisor Ray Oberly: Is their second.

249
00:31:54.810 --> 00:31:55.770
Chris Juliano: Giuliana second.

250
00:31:56.370 --> 00:32:00.540
Clinton Supervisor Ray Oberly: Okay discussion I have just touching
probably expect.

251
00:32:04.050 --> 00:32:05.160
Clinton Supervisor Ray Oberly: I went to an.

252
00:32:08.760 --> 00:32:09.120
Ladies.

253
00:32:29.640 --> 00:32:37.080
Clinton Supervisor Ray Oberly: there's two issues are the same two
issues I discussed previously when we were talking about it, one issue
is.

254
00:32:37.890 --> 00:33:00.480
Clinton Supervisor Ray Oberly: It says in this being a policy which
says you can't waver from any amount of above the threshold that
you've incorporated into the law must be put basically in capital
projects, this will not allow us to balance the taxes and help the
public.

255

exceed 45% of adopted budget appropriations, the excess may be utilized for any lawful purpose, approved by the town board.

256
00:33:16.800 --> 00:33:26.880
Michael Whitton, Councilmember: And then there's a guidance that says it should not be appropriate, it should be appropriated to fund one time expenditures so which do not result in recurring operating costs yeah.

257
00:33:28.110 --> 00:33:29.130
that's D for.

258
00:33:34.620 --> 00:33:35.580
Clinton Supervisor Ray Oberly: me.

259
00:33:47.430 --> 00:33:49.980
Clinton Supervisor Ray Oberly: The D for.

260
00:33:51.660 --> 00:34:05.250
Clinton Supervisor Ray Oberly: In order to maximize or minimize long term effect of such us the access should be appropriated to find one time expenditures, which do not result in recurring operating costs pinner be used to establish or increase reserves.

261
00:34:06.510 --> 00:34:07.650
that's just the.

262
00:34:08.850 --> 00:34:12.030
Clinton Supervisor Ray Oberly: thing that I was saying, I said so we got to put it into.

263
00:34:12.810 --> 00:34:22.200
Michael Whitton, Councilmember: It says that it can be used for things that are one time costs or they can be used to establish or increase reserves it doesn't.

264
00:34:22.380 --> 00:34:24.390
Clinton Supervisor Ray Oberly: It doesn't say a month that operating fund.

265
00:34:25.410 --> 00:34:28.110
Michael Whitton, Councilmember: What I know but it doesn't say you must use it in reserves.

266

267
00:34:31.800 --> 00:34:37.380
Clinton Supervisor Ray Oberly: yeah well either case it defined one
time expenditures.

268
00:34:39.900 --> 00:34:43.170
Clinton Supervisor Ray Oberly: not result in recurring operating
costs.

269
00:34:43.440 --> 00:34:49.170
Michael Whitton, Councilmember: So, like we shouldn't use the fund
balance to give somebody a pay increase because that would be
recurring.

270
00:34:50.220 --> 00:34:55.380
Michael Whitton, Councilmember: Like it would be you know if we had a
project like solar panels, we could use it for that or.

271
00:34:56.580 --> 00:35:05.370
Clinton Supervisor Ray Oberly: I understand that, but my concern is,
we will not be able to necessarily own standard Pascal if we abide by
this because.

272
00:35:06.570 --> 00:35:16.350
Clinton Supervisor Ray Oberly: This is a policy and it's not literally
changed unless you go through a process to change those numbers that.

273
00:35:16.980 --> 00:35:21.240
Michael Whitton, Councilmember: I mean it's a pretty high ceiling at
45%.

274
00:35:22.320 --> 00:35:23.730
Michael Whitton, Councilmember: If you think it should be higher when.

275
00:35:23.820 --> 00:35:29.790
Clinton Supervisor Ray Oberly: I know what the number is I don't know
mathematically how it all comes out so that.

276
00:35:30.330 --> 00:35:33.390
Chris Juliano: Well then, we said, I mean it's been a long time since
we've talked about this, but we.

277
00:35:33.390 --> 00:35:34.950
Chris Juliano: came up with numbers and.

00:35:35.400 --> 00:35:36.990
Chris Juliano: basketball fell within.

279
00:35:37.140 --> 00:35:41.490
Chris Juliano: The the numbers that we were working through budget
back then, but I mean.

280
00:35:42.390 --> 00:35:54.270
Clinton Supervisor Ray Oberly: it's somewhat complicated because
you're going to take all the fringe benefit yeah you got to find them
all over the place, under a big rise, which reduces the.

281
00:35:55.800 --> 00:35:56.670
Clinton Supervisor Ray Oberly: amount of money.

282
00:35:57.750 --> 00:36:07.140
Clinton Supervisor Ray Oberly: That you will have in the surplus fine
because you take it away revenue and not revenues, but expenses that
you typically would be included in it.

283
00:36:07.950 --> 00:36:19.560
Clinton Supervisor Ray Oberly: So I mean that's my thought on it, I
think it's going to make it difficult to hold the taxes under the 2%
number, whatever that is whenever it is teacher changes.

284
00:36:20.610 --> 00:36:21.840
Clinton Supervisor Ray Oberly: And it's.

285
00:36:23.640 --> 00:36:26.460
Clinton Supervisor Ray Oberly: A complicated process to tell the
money.

286
00:36:27.960 --> 00:36:30.000
Clinton Supervisor Ray Oberly: So, but I do think it.

287
00:36:31.230 --> 00:36:38.400
Dean Michael: Confusing in that respect well explain why that would
affect the tax CAP sorry i'm just like joining the party here.

288
00:36:38.610 --> 00:36:49.890
Clinton Supervisor Ray Oberly: Well, traditionally, and all prior
years we have taken unexpected balance monies and utilize them into
the operating budgets of general and highway funds.

289

290
00:36:54.690 --> 00:36:56.550
Dean Michael: So you're saying that we would have to.

291
00:36:56.970 --> 00:36:57.540
Dean Michael: raise the.

292
00:36:59.760 --> 00:37:00.480
Dean Michael: categories.

293
00:37:01.440 --> 00:37:07.680
Michael Whitton, Councilmember: But wouldn't that be, if we did that
say put them i'm trying to find the wording now I mean.

294
00:37:09.780 --> 00:37:12.990
Michael Whitton, Councilmember: wouldn't that be appropriating the
funds for one time and expenditures.

295
00:37:13.410 --> 00:37:13.860
No.

296
00:37:15.630 --> 00:37:19.920
Clinton Supervisor Ray Oberly: One time expenditures is like paying
money to plant a tree for.

297
00:37:19.920 --> 00:37:21.660
Clinton Supervisor Ray Oberly: example you do it once.

298
00:37:22.860 --> 00:37:27.870
Clinton Supervisor Ray Oberly: operating expenses are insurance he
electricity whatever.

299
00:37:30.210 --> 00:37:37.590
Michael Whitton, Councilmember: So if D for said, in the event, where
is it a the excess may be utilized for any lawful purpose, approved by
the town board.

300
00:37:38.310 --> 00:37:39.900
Clinton Supervisor Ray Oberly: What we do what we do.

301
00:37:40.080 --> 00:37:50.610
Michael Whitton, Councilmember: So if if we if we cut off D for at
that sentence and did not have the thing about one time expenditures

302
00:37:50.910 --> 00:37:52.560
Michael Whitton, Councilmember: you'd be fine all right.

303
00:37:53.190 --> 00:37:57.810
Michael Whitton, Councilmember: What if we did say that I mean, I think that sentence was there, just as, like a guidance, but.

304
00:37:58.830 --> 00:38:08.550
Michael Whitton, Councilmember: If we take out the one time expenditures, but, but like, if I have something that says it can be used to establish or increase reserves, just so someone reading it later understands that that's something that can happen.

305
00:38:09.840 --> 00:38:10.920
Michael Whitton, Councilmember: It doesn't say it must.

306
00:38:14.310 --> 00:38:14.550
Clinton Supervisor Ray Oberly: yeah.

307
00:38:17.820 --> 00:38:19.440
Clinton Supervisor Ray Oberly: Well you're worrying now.

308
00:38:19.740 --> 00:38:20.820
Michael Whitton, Councilmember: Well, if.

309
00:38:24.180 --> 00:38:28.680
Michael Whitton, Councilmember: The excess where so I could say in order to minimize the long term effect of such use.

310
00:38:32.220 --> 00:38:36.600
Michael Whitton, Councilmember: These funds can be used excess funds can be used to establish or increase reserves.

311
00:38:37.920 --> 00:38:44.010
Michael Whitton, Councilmember: You know and that's after the sentence that says any lawful purpose, approved by the town board, so we would just take out the one time expenditures.

312
00:38:44.220 --> 00:38:45.360
Michael Whitton, Councilmember: yeah okay.

313
00:38:47.520 --> 00:38:47.760
Clinton Supervisor Ray Oberly: yeah.

00:38:49.320 --> 00:38:54.540
Michael Whitton, Councilmember: I would say in the future, though I would not really want to use fund balance to pay for ongoing expenses.

315
00:38:54.750 --> 00:38:55.950
Clinton Supervisor Ray Oberly: But I understand your point.

316
00:38:56.190 --> 00:38:57.150
Michael Whitton, Councilmember: I understand your point.

317
00:38:57.180 --> 00:39:06.120
Clinton Supervisor Ray Oberly: We approve the budget so we are a yes, I do we don't want to put the money in the budget well.

318
00:39:06.960 --> 00:39:12.570
Michael Whitton, Councilmember: yeah I think that I think the the spirit behind that sentence was that you know if we were gonna.

319
00:39:12.960 --> 00:39:19.320
Michael Whitton, Councilmember: say we have grandkids coming up now, we shouldn't be saying granted this is going to be $5,000 a year I know we're not paying for it i'm just using the example.

320
00:39:19.920 --> 00:39:29.490
Michael Whitton, Councilmember: thousand a year we shouldn't be saying the fund balance is going to pay for that you know, but I understand your point and so i'll change it and and for next month's about.

321
00:39:30.510 --> 00:39:33.240
Clinton Supervisor Ray Oberly: Okay i'm happy with that thing.

322
00:39:35.400 --> 00:39:39.030
Clinton Supervisor Ray Oberly: which I just didn't want to get into a box yeah.

323
00:39:40.350 --> 00:39:41.670
Chris Juliano: We can't we can't just.

324
00:39:42.690 --> 00:39:46.350
Chris Juliano: A little we get to resubmit it here to vote on it, then at that point.

325
00:39:46.710 --> 00:39:50.850
Michael Whitton, Councilmember: No, I we can schedule the public

326
00:39:50.850 --> 00:39:51.630
Chris Juliano: Is yeah.

327
00:39:51.780 --> 00:39:55.560
Michael Whitton, Councilmember: And i'll have a new version for Carol
in a week or so that can be.

328
00:39:55.560 --> 00:39:58.470
Clinton Supervisor Ray Oberly: annoying the public hearing version
yeah.

329
00:39:58.920 --> 00:39:59.550
Clinton Supervisor Ray Oberly: I think it.

330
00:40:00.360 --> 00:40:02.610
Town Clerk Carol Mackin: will make that one available after I receive
it.

331
00:40:03.240 --> 00:40:03.570
yeah.

332
00:40:05.310 --> 00:40:05.910
Clinton Supervisor Ray Oberly: Okay.

333
00:40:06.210 --> 00:40:06.690
Town Clerk Carol Mackin: Very good.

334
00:40:14.070 --> 00:40:21.090
Clinton Supervisor Ray Oberly: Okay, so everybody else happy no
questions roll call overly I Cunningham.

335
00:40:21.420 --> 00:40:22.950
Clinton Supervisor Ray Oberly: And Giuliana.

336
00:40:23.430 --> 00:40:24.690
Clinton Supervisor Ray Oberly: hi Michael.

337
00:40:24.990 --> 00:40:25.230
I.

338
00:40:26.310 --> 00:40:26.790
Clinton Supervisor Ray Oberly: Witten.

00:40:27.150 --> 00:40:28.740
Clinton Supervisor Ray Oberly: I motion carried.

340
00:40:30.060 --> 00:40:31.800
Clinton Supervisor Ray Oberly: Now we do have a fish.

341
00:40:32.310 --> 00:40:35.850
Michael Whitton, Councilmember: So, with the short term rental law passing.

342
00:40:37.110 --> 00:40:45.180
Michael Whitton, Councilmember: The county has they used to call it host compliance host compliance is now a company called grand circus and they provide software, so that.

343
00:40:46.260 --> 00:40:51.480
Michael Whitton, Councilmember: Municipalities can basically enforce their short term rental laws it identifies properties for them and then.

344
00:40:52.560 --> 00:41:08.580
Michael Whitton, Councilmember: In conjunction with whatever software, the town uses to track whether properties are permitted correctly or not, the software will constantly check your software against their against their data to see if all of the properties in your town are properly permitted.

345
00:41:09.930 --> 00:41:11.730
Michael Whitton, Councilmember: So the county collects.

346
00:41:13.290 --> 00:41:23.880
Michael Whitton, Councilmember: What do they call it the occupancy tax on airbnb and the occupancy tax is not shared with the towns and sometimes didn't like that, so the county has said, well they'll provide frantic us.

347
00:41:24.750 --> 00:41:38.430
Michael Whitton, Councilmember: For free to the town's they'll pay for it to help us enforce these laws and it's not a small fee it's about it's about $5,000 so we had the contract with john fenton worked with the county and we got a contract from granted kiss.

348
00:41:39.570 --> 00:41:46.500
Michael Whitton, Councilmember: i've been trying to work with the Department of Finance to get a memorandum of agreement to.

Michael Whitton, Councilmember: pay for granted kiss but we haven't gotten it as of today, they promised me this week so i'm going to make the motion to approve signing the contract with the stipulation that we receive an mo from dutchess county for payment.

350
00:42:02.190 --> 00:42:10.680
Michael Whitton, Councilmember: So I make a motion to approve the following resolution, be it resolved that the town board approves the contract labeled Q dash 107858.

351
00:42:11.130 --> 00:42:20.190
Michael Whitton, Councilmember: Between grand circus and the town of Clinton for short term rental compliance monitoring, as detailed in the contract for a period of one year, commencing on February 9 2021.

352
00:42:20.610 --> 00:42:33.510
Michael Whitton, Councilmember: At an annual cost of $4,464 paid for by dutchess county and authorizes empowers and directs the Supervisor to sign the contract with the stipulation that we receive an MLA from dutchess county for payment.

353
00:42:34.680 --> 00:42:35.640
Chris Juliano: be no second.

354
00:42:36.930 --> 00:42:38.280
Clinton Supervisor Ray Oberly: Any further discussion.

355
00:42:40.950 --> 00:42:43.350
Clinton Supervisor Ray Oberly: Okay roll call vote over the I.

356
00:42:45.210 --> 00:42:45.930
Clinton Supervisor Ray Oberly: Turning him.

357
00:42:47.100 --> 00:42:48.000
Clinton Supervisor Ray Oberly: Giuliano.

358
00:42:49.980 --> 00:42:50.490
Clinton Supervisor Ray Oberly: Michael.

359
00:42:50.790 --> 00:42:52.260
Clinton Supervisor Ray Oberly: I when.

360
00:42:53.040 --> 00:42:54.720
Clinton Supervisor Ray Oberly: I motion carry.

00:42:57.030 --> 00:43:01.890
Michael Whitton, Councilmember: Alright i'm busy I got a lot in a row here um the next one is different, we had had some emails on this.

362
00:43:03.270 --> 00:43:09.810
Michael Whitton, Councilmember: And now the situation on the ground has changed a little bit I noticed a while back and and mentioned to you guys that the scroller.

363
00:43:11.340 --> 00:43:21.420
Michael Whitton, Councilmember: On channel 22 doesn't have the most up to date information all the time and we were trying to figure out ways to alleviate that problem, so we could have the up to date information.

364
00:43:22.800 --> 00:43:33.300
Michael Whitton, Councilmember: And it turns out, now that the software or the hardware that we use the hardware that we used to change the scroller is no longer supported.

365
00:43:33.780 --> 00:43:46.380
Michael Whitton, Councilmember: by the company that made it and so Jerry is now working to solve that problem and figuring out how he can update the scroller and work around this problem that that that it's not supported anymore.

366
00:43:47.790 --> 00:43:56.700
Michael Whitton, Councilmember: Jerry has said that once that does happen, he is willing to train samantha who has already been working on video issues on video things with him.

367
00:43:57.210 --> 00:44:05.400
Michael Whitton, Councilmember: he's going to train samantha on how to make the scroller changes and conveniently since samantha also works with Carol MAC and re overly.

368
00:44:05.730 --> 00:44:10.470
Michael Whitton, Councilmember: They will be able to provide her with up to date information that should be on the scholar, and then she can make the changes.

369
00:44:11.160 --> 00:44:24.270
Michael Whitton, Councilmember: So we don't really have anything to vote on tonight, I just wanted to I know we had had emails about it, so I just want to say that that's what we're going to be doing moving forward jerry's on board and samantha's on board and Ray and Carol so.

Michael Whitton, Councilmember: I think that's it with that, if there were any questions.

371
00:44:28.320 --> 00:44:29.340
Clinton Supervisor Ray Oberly: hey thanks a lot.

372
00:44:31.080 --> 00:44:34.020
Clinton Supervisor Ray Oberly: Next is a planning board vacancy being.

373
00:44:35.730 --> 00:44:36.930
Dean Michael: So we have.

374
00:44:38.760 --> 00:44:44.040
Dean Michael: Someone that's been on the planning board for for many, many years for as long as I know.

375
00:44:45.150 --> 00:44:53.310
Dean Michael: So she's basically come to the to the point where she wants to do other things with her around.

376
00:44:54.540 --> 00:45:00.450
Dean Michael: Tuesday nights and I don't blame her after I has to be at least 15 plus years so.

377
00:45:02.040 --> 00:45:04.380
Dean Michael: So thank you to.

378
00:45:05.430 --> 00:45:10.470
Dean Michael: Teresa for having dedicated so much time to doing that.

379
00:45:11.640 --> 00:45:29.790
Dean Michael: But with that i'd like to open up that there's a vacancy on the planning board and that if someone is interested, they should send a new resume to the supervisor and then as a point of mixed up my papers here so i'm trying to find exactly the solution here, but.

380
00:45:31.260 --> 00:45:38.340
Dean Michael: When I had looked up on the calendar Wednesday the 24th I didn't have anything scheduled, and I think we should do that in person.

381
00:45:39.600 --> 00:45:47.490
Dean Michael: I think we could do it socially distancing and I would prefer to do it that way, if anybody nobody has an objection to that.

00:45:48.720 --> 00:45:50.220
Dean Michael: what's everybody else's thoughts on that.

383
00:45:50.760 --> 00:45:52.770
Chris Juliano: You have no problem with that yeah.

384
00:45:52.830 --> 00:46:00.360
Clinton Supervisor Ray Oberly: The only thing I would comment is, we should say, like the evening of Wednesday or something just so.

385
00:46:00.480 --> 00:46:06.900
Clinton Supervisor Ray Oberly: Great general time i'm not saying 730 or whatever, but it's not during the middle of the morning.

386
00:46:07.350 --> 00:46:10.680
Dean Michael: it'll be after five on on Wednesday, the 24th.

387
00:46:10.860 --> 00:46:15.060
Clinton Supervisor Ray Oberly: Just some way in defining it sure people would be able to attend.

388
00:46:18.780 --> 00:46:19.080
Dean Michael: So.

389
00:46:19.590 --> 00:46:37.980
Dean Michael: With that i'll make emotion beat resolved at the town board holds a special meeting executive session live in the town hall on Wednesday, the 24th of 2021 the approval for the purpose of an interview of candidates for the appointment of to the planning board.

390
00:46:38.340 --> 00:46:39.180
Clinton Supervisor Ray Oberly: These are second.

391
00:46:39.480 --> 00:46:40.470
Chris Juliano: Giuliana second.

392
00:46:41.760 --> 00:46:43.020
Clinton Supervisor Ray Oberly: Any further discussion.

393
00:46:44.400 --> 00:46:47.550
Clinton Supervisor Ray Oberly: roll call overly I Cunningham.

394
00:46:47.760 --> 00:46:48.090

395
00:46:48.780 --> 00:46:49.740
Clinton Supervisor Ray Oberly: Do you want all.

396
00:46:50.040 --> 00:46:51.210
Clinton Supervisor Ray Oberly: I Michael.

397
00:46:51.600 --> 00:46:52.740
Clinton Supervisor Ray Oberly: I wouldn't.

398
00:46:53.130 --> 00:46:53.430
I.

399
00:46:54.540 --> 00:46:56.130
Clinton Supervisor Ray Oberly: Motion Gary so.

400
00:46:56.520 --> 00:47:06.390
Dean Michael: Just to clarify I said Teresa that she used to be on the planning board it's Tracy rosica so thank you Tracy for a long dedication to the town.

401
00:47:09.090 --> 00:47:16.560
Clinton Supervisor Ray Oberly: Thank you next is a trench coat use and costing agreement I briefly spoke to that earlier.

402
00:47:17.190 --> 00:47:25.980
Clinton Supervisor Ray Oberly: we've been working for the last two months with trans code trying to get our town properly indemnified so that, if any, damages occur that.

403
00:47:26.460 --> 00:47:37.710
Clinton Supervisor Ray Oberly: Trans call world fix them at not total expense, but at their expense and level legally is going back and forth and words missing, so we finally got a final document.

404
00:47:38.460 --> 00:47:56.190
Clinton Supervisor Ray Oberly: I make a motion to approve the following resolution be resolved at the town board approves the road use and crushing agreement between transco and the time of Clinton effective February 9 2021 and authorizes empowers and director Supervisor to sign a contract is there a second.

405
00:47:56.820 --> 00:47:57.510
Dean Michael: A Michael second.

Clinton Supervisor Ray Oberly: Okay, any further discussion.

407
00:48:02.100 --> 00:48:04.740
Clinton Supervisor Ray Oberly: roll call vote over the icon in him.

408
00:48:05.010 --> 00:48:06.540
Clinton Supervisor Ray Oberly: hi Giuliano.

409
00:48:07.740 --> 00:48:09.750
Clinton Supervisor Ray Oberly: Michael Witten.

410
00:48:10.140 --> 00:48:11.460
Clinton Supervisor Ray Oberly: I motion carries.

411
00:48:14.370 --> 00:48:27.570
Clinton Supervisor Ray Oberly: Somehow we miss the doing it earlier approve of the dog control services with us PCA for 2021, so this is just approve the contract that we had last year.

414
00:48:49.830 --> 00:48:50.580
Dean Michael: Michael second.

415
00:48:51.240 --> 00:48:52.290
Clinton Supervisor Ray Oberly: Further discussion.

416
00:48:53.760 --> 00:48:56.010
Clinton Supervisor Ray Oberly: roll call overly I touching him.

417
00:48:56.400 --> 00:48:59.370
Clinton Supervisor Ray Oberly: Right, you know, Michael.

418
00:48:59.820 --> 00:49:00.900
Clinton Supervisor Ray Oberly: I wouldn't.

00:49:01.410 --> 00:49:03.210
Clinton Supervisor Ray Oberly: I motion code.

420
00:49:14.430 --> 00:49:23.490
Clinton Supervisor Ray Oberly: This is to approve the dog control
housing agreement with the aspca the two different documents is
essentially has a fee schedule that.

421
00:49:25.020 --> 00:49:33.510
Clinton Supervisor Ray Oberly: lose your dog and they catch them you
got to pay so much per day and all that sort of stuff I make a motion
to approve the following resolution.

422

430
00:50:16.950 --> 00:50:27.540
Dean Michael: If they catch the dog, they will make an effort to call
the owner, so if you have proper tags on it's not like they're going

431
00:50:29.730 --> 00:50:31.080
Now, which is.

432
00:50:32.430 --> 00:50:33.090
Clinton Supervisor Ray Oberly: admirable.

Clinton Supervisor Ray Oberly: The microsecond that he was helping
don't run the TV station, but he's going off to college, so we won't
be around and we'll see when he comes back, we can retire him and
continue using services so it's just easy way to handle it.

436
00:51:08.130 --> 00:51:13.110
Clinton Supervisor Ray Oberly: roll call overly I Giuliano Witten.

437
00:51:14.220 --> 00:51:14.520

Michael.

439
00:51:16.800 --> 00:51:17.490
Clinton Supervisor Ray Oberly: Cunningham.

4233 Oh, I have on I have 61,007 1483 I mine.

445
00:52:10.620 --> 00:52:13.530
Town Clerk Carol Mackin: It may have been updated by the end of the
day, Chris.

446
00:52:13.560 --> 00:52:14.070
Chris Juliano: Okay.

447
00:52:14.700 --> 00:52:17.850
Chris Juliano: And I just I just double check yeah.

448
00:52:18.030 --> 00:52:19.290
Dean Michael: Was the 12th day correct.

449
00:52:19.320 --> 00:52:20.370
Dean Michael: Carol because now.

450
00:52:20.580 --> 00:52:23.700
Dean Michael: You know the form has 12 on it so just.

451
00:52:24.180 --> 00:52:26.460
Town Clerk Carol Mackin: So every highway Warren yeah.

452
00:52:28.710 --> 00:52:32.100
Clinton Supervisor Ray Oberly: Okay roll call vote over the I Julia.

453
00:52:32.430 --> 00:52:33.600
Clinton Supervisor Ray Oberly: I when.

454
00:52:34.140 --> 00:52:35.160
Clinton Supervisor Ray Oberly: I Michael.

455
00:52:36.450 --> 00:52:37.200
Clinton Supervisor Ray Oberly: Cunningham.

00:52:39.630 --> 00:52:40.050
Clinton Supervisor Ray Oberly: again.

457
00:52:40.500 --> 00:52:42.780
Clinton Supervisor Ray Oberly: hi okay motion carries.

458
00:52:43.980 --> 00:52:47.700
Clinton Supervisor Ray Oberly: Not doing any move a mobile phones this month.

459
00:52:48.780 --> 00:52:48.960
Town Clerk Carol Mackin: So.

460
00:52:49.380 --> 00:52:58.650
Clinton Supervisor Ray Oberly: Easy the supervisors report, I sent it out to you last night the January 2021 supervisors report will be.

461
00:52:58.650 --> 00:53:07.530
Clinton Supervisor Ray Oberly: approved when the 2020 books are reconciled, which will be around April may that's when the Ad is being familiar at all with.

462
00:53:08.670 --> 00:53:11.280
Clinton Supervisor Ray Oberly: Any other business before the board yeah.

463
00:53:11.340 --> 00:53:14.070
Dean Michael: i'm kind of concerned by the email you sent out today.

464
00:53:15.300 --> 00:53:18.690
Dean Michael: I think that we should have an executive session to discuss that.

465
00:53:21.000 --> 00:53:22.410
Chris Juliano: I agree i'll go with that deep.

466
00:53:25.020 --> 00:53:29.250
Michael Whitton, Councilmember: So before we go into executive session, I agree with that, too, can I just say that uh.

467
00:53:30.150 --> 00:53:37.620
Michael Whitton, Councilmember: i'd like to think about moving forward with the next meetings to have public comments we obviously have four members of the public here tonight and nobody's acted like a hooligan

468
00:53:37.980 --> 00:53:45.060
Michael Whitton, Councilmember: chimed in and tried to hijack the meeting, so I think from here forward, we can start having public comments at our meetings.

469
00:53:46.440 --> 00:53:48.150
Chris Juliano: I agree with that, with that Mike.

470
00:53:48.570 --> 00:53:53.730
Dean Michael: yeah I mean if not I I again like to move towards having live.

471
00:53:53.760 --> 00:54:03.510
Dean Michael: person in person, because currently anybody shows up to our meetings anyway, so if someone that does have something to say you know we can accommodate you know number of people in the.

472
00:54:03.960 --> 00:54:06.540
Clinton Supervisor Ray Oberly: In the audience 18 people even number.

473
00:54:09.060 --> 00:54:10.410
Michael Whitton, Councilmember: And that includes all of us right.

474
00:54:11.040 --> 00:54:11.880
Michael Whitton, Councilmember: No, no.

475
00:54:12.660 --> 00:54:13.380
Town Clerk Carol Mackin: we're suffering.

476
00:54:13.590 --> 00:54:15.150
Dean Michael: With 18 X is on the floor.

477
00:54:15.390 --> 00:54:26.040
Clinton Supervisor Ray Oberly: yeah right the audience, not on Oh yes, and right in front of it, so the 18 extra people like including us.

478
00:54:27.090 --> 00:54:27.480
Okay.

479
00:54:29.100 --> 00:54:29.760
Clinton Supervisor Ray Oberly: well.

480

Michael says, or if we can do it in person, I prefer to just do it in
person.

481
00:54:36.780 --> 00:54:42.780
Clinton Supervisor Ray Oberly: So we will have to check as to what the
status of the.

482
00:54:43.830 --> 00:54:58.230
Clinton Supervisor Ray Oberly: activity with Jerry is up there, trying
to cobble assistant back together again that's The only question I
have because it works, you can do it, you know if he's comfortable and
you can make it work good.

483
00:54:59.670 --> 00:55:05.370
Clinton Supervisor Ray Oberly: Primarily, a problem is with the
scroller but I don't know the interaction of some of these.

484
00:55:06.480 --> 00:55:08.340
Clinton Supervisor Ray Oberly: Electronic boxes up there anymore.

485
00:55:09.960 --> 00:55:11.970
Chris Juliano: Is there something that we would have to look to.

486
00:55:12.030 --> 00:55:14.220
Chris Juliano: about updating at some point right.

487
00:55:14.850 --> 00:55:16.920
Clinton Supervisor Ray Oberly: $10,000 for next year's budget.

488
00:55:17.490 --> 00:55:17.850
Okay.

489
00:55:19.560 --> 00:55:20.670
Clinton Supervisor Ray Oberly: Number i've been given.

490
00:55:21.210 --> 00:55:30.000
Michael Whitton, Councilmember: I have a feeling i'm in the minority,
but I should just make my voice heard that I think these work fine and
until we absolutely have to meet in person i'm fine continuing to do
these.

491
00:55:31.140 --> 00:55:33.270
Michael Whitton, Councilmember: But i'm sure i'm in the minority.

Chris Juliano: I mean there is benefit look Mike I do agree there's benefit that kind of gives us a little bit of leeway being.

493
00:55:41.940 --> 00:55:52.830
Chris Juliano: With zoom my My only concern at least lungs, we can get public hearing going either way i'm fine either way with that, but I definitely think at least people should have be able to kind of get back into.

494
00:55:52.950 --> 00:55:54.060
Chris Juliano: yeah involved.

495
00:55:54.570 --> 00:56:06.810
Dean Michael: Regardless sort of my and I forgot to bring it up, but part of my my thought processes that we should start back doing our zoning revision, I mean it's been a year and.

496
00:56:06.840 --> 00:56:08.850
Town Clerk Carol Mackin: everything's getting cold and we're.

497
00:56:08.850 --> 00:56:10.470
Dean Michael: going to start forgetting where we were and.

498
00:56:11.970 --> 00:56:15.420
Dean Michael: You know it's been 15 years since this thing started.

499
00:56:16.680 --> 00:56:17.550
Dean Michael: like to have it done.

500
00:56:18.570 --> 00:56:19.650
Chris Juliano: What about.

501
00:56:21.000 --> 00:56:23.940
Chris Juliano: I think, at some point you made a comment or.

502
00:56:24.000 --> 00:56:25.230
Chris Juliano: A humility to.

503
00:56:25.320 --> 00:56:27.960
Chris Juliano: approve certain sections of it that's already been.

504
00:56:28.080 --> 00:56:29.550
Chris Juliano: Through so we can get it to public.

00:56:29.820 --> 00:56:32.640
Dean Michael: Well, one of the options was to to take.

506
00:56:33.450 --> 00:56:40.590
Dean Michael: As we go along get it approved, instead of having this
large financial burden on the town.

507
00:56:41.190 --> 00:56:41.580
Chris Juliano: Once.

508
00:56:41.940 --> 00:56:49.230
Dean Michael: it's going to be the attorneys reviewing and updating
the code and everything else if we wait to the end and do it all as
one.

509
00:56:49.710 --> 00:57:00.990
Dean Michael: I mean it's probably going to be a hefty 30 $40,000
bill, I mean if we can, if we can bite off as we're going it's going
to be financially more capable of handling in our regular budget.

510
00:57:02.430 --> 00:57:17.070
Clinton Supervisor Ray Oberly: The only problem I see is that we've
been allowing people to comment after we've done to a session so we
haven't incorporated their comments, whether they're good or bad i'm
not making any judgment.

511
00:57:17.310 --> 00:57:17.940
Clinton Supervisor Ray Oberly: went into.

512
00:57:18.090 --> 00:57:19.800
Clinton Supervisor Ray Oberly: The comments so.

513
00:57:20.640 --> 00:57:23.730
Dean Michael: we've updated sections after people have commented.

514
00:57:24.750 --> 00:57:28.710
Clinton Supervisor Ray Oberly: On but I don't know how many I know all
of them that I do have, I mean I don't.

515
00:57:28.830 --> 00:57:43.380
Dean Michael: I have to review what our last session was but, for the
most part we've we've been updating everything as we've gone along and
if there was something that was missing someone could you know, bring
up an objection to do something and we've addressed that the next
meeting.

00:57:46.920 --> 00:57:52.740
Clinton Supervisor Ray Oberly: I just don't recall all the subjects who you are handling all incoming stuff and.

517
00:57:54.390 --> 00:57:55.620
Clinton Supervisor Ray Oberly: I just don't know what.

518
00:57:55.800 --> 00:58:02.220
Dean Michael: I thought were ours, you know anybody who has brought up you know questions on something and.

519
00:58:02.580 --> 00:58:10.110
Dean Michael: And even after the fact that you know typically we allow the the week after the meeting first serve someone descending comment.

520
00:58:10.410 --> 00:58:25.140
Dean Michael: so that I can have the time of the last week because we're going every other week to have these Thursday night meetings, but then I would have the time to put together the changes so that everybody can review it for the next meeting yeah.

521
00:58:26.220 --> 00:58:35.040
Clinton Supervisor Ray Oberly: I agree with you know we can do them in person, because typically, as you said, it's less than a handful of people that typically would come.

522
00:58:35.100 --> 00:58:37.890
Dean Michael: Free for people unless it's a hot topic and.

523
00:58:38.310 --> 00:58:56.310
Clinton Supervisor Ray Oberly: it's hard to tell what's hot topic so but in general it's been very minimal so those can be again, and they will be broadcast live through the TV channel, not on zoom or on YouTube well I don't know if we continue to challenge in addition to.

524
00:58:58.380 --> 00:58:58.770
Dean Michael: Well, I think.

525
00:58:58.830 --> 00:59:04.560
Town Clerk Carol Mackin: they're not they're not live re they're not live on YouTube but they're posted to YouTube.

526
00:59:05.190 --> 00:59:05.820
Town Clerk Carol Mackin: day or two.

Clinton Supervisor Ray Oberly: Okay, so.

528
00:59:08.880 --> 00:59:25.500
Dean Michael: yeah the this recording is is then digitized and then upload it to YouTube and I think Jerry is is somewhat digitizing the broadcast and then setting it up for rebroadcast anyway, and then he was setting up for Facebook.

529
00:59:26.340 --> 00:59:28.620
Dean Michael: or YouTube channel and that's where.

530
00:59:28.740 --> 00:59:33.360
Clinton Supervisor Ray Oberly: I just want to be sure that the problem that we're involved with in the.

531
00:59:35.280 --> 00:59:36.900
I think the scroll is your dollar.

532
00:59:38.010 --> 00:59:51.000
Clinton Supervisor Ray Oberly: Electronic doesn't interfere with the upgrading to you to port transmission that's My only concern no objection to doing it it's just that we can do it successfully it's all i'm concerned about.

533
00:59:52.440 --> 01:00:00.060
Clinton Supervisor Ray Oberly: So I mean if you want out i'll ask them and see what he says and send an email and away we go.

534
01:00:01.980 --> 01:00:02.760
Clinton Supervisor Ray Oberly: doing well.

535
01:00:04.140 --> 01:00:08.310
Dean Michael: I mean it's a lot of topics that we've been handling that really need to be updated so.

536
01:00:08.340 --> 01:00:09.000
Clinton Supervisor Ray Oberly: yeah yeah.

537
01:00:09.780 --> 01:00:15.840
Dean Michael: And as to whether we want to take bits and pieces as we've done probably about half of it now.

538
01:00:16.980 --> 01:00:30.570
Dean Michael: If we want to have the Attorney start working on it, I

539
01:00:31.860 --> 01:00:35.670
Dean Michael: A code without changing the definition is problematic.

540
01:00:36.060 --> 01:00:36.360
Clinton Supervisor Ray Oberly: But.

541
01:00:36.660 --> 01:00:52.320
Dean Michael: We could start the process, and then by the time we may finished the first section, we may have the second section done and updated the the definitions, so that we can coordinate the definition section, at the same time.

542
01:00:53.010 --> 01:01:09.630
Clinton Supervisor Ray Oberly: Not you know the general code will review all of that stuff for free and give you comments back, they will change it, but they'll give you their suggestion to to best practice this word smithing maybe a technical point I don't know.

543
01:01:10.770 --> 01:01:14.820
Clinton Supervisor Ray Oberly: But it will give you a different view, or I have it in.

544
01:01:16.290 --> 01:01:21.720
Clinton Supervisor Ray Oberly: concert with the rest of the book, because they have it all in your computer and.

545
01:01:21.990 --> 01:01:22.560
Dean Michael: So maybe.

546
01:01:22.590 --> 01:01:33.480
Dean Michael: Maybe what i'll do first is i'll send them the sections that we've already made changes to have that annotated or Doc whatever changes they think before I send it to shane.

547
01:01:33.840 --> 01:01:34.140
Clinton Supervisor Ray Oberly: Oh yeah.

548
01:01:34.440 --> 01:01:36.240
Dean Michael: so that we could save on the legal fees.

549
01:01:36.750 --> 01:01:40.110
Clinton Supervisor Ray Oberly: yeah and maybe get a better document.

Clinton Supervisor Ray Oberly: saying what we did was not good, but get a better one.

551
01:01:45.240 --> 01:01:45.810
Oh absolutely.

552
01:01:47.970 --> 01:01:50.520
Clinton Supervisor Ray Oberly: Okay, so go forward on a.

553
01:01:51.630 --> 01:01:58.680
Clinton Supervisor Ray Oberly: Talk to Jerry and send an email, and then you will post, the start of those again.

554
01:01:59.400 --> 01:02:03.780
Dean Michael: So, since I missed it was there a party for the the approval of the.

555
01:02:04.230 --> 01:02:04.680
ag long.

556
01:02:06.420 --> 01:02:06.990
Dean Michael: yeah.

557
01:02:07.560 --> 01:02:10.140
Dean Michael: My computer decided to turn off in the middle of everything I don't.

558
01:02:11.010 --> 01:02:11.430
Dean Michael: Maybe it was.

559
01:02:11.820 --> 01:02:12.480
Dean Michael: A warning sign.

560
01:02:13.620 --> 01:02:15.780
Michael Whitton, Councilmember: Jeff Jeff was firing has gone in the air and.

561
01:02:16.260 --> 01:02:16.740
Dean Michael: It was like.

562
01:02:21.510 --> 01:02:22.950
jeff: A long process, congratulations.

Clinton Supervisor Ray Oberly: So raise your German.

564
01:02:29.670 --> 01:02:30.960
Dean Michael: we're gonna go to the executive session.

565
01:02:31.410 --> 01:02:31.620
Oh.

566
01:02:33.030 --> 01:02:33.720
Clinton Supervisor Ray Oberly: Oh, that.
