RE: Town Of Clinton – Hourly Rates

Please allow this letter to serve as an amendment to our existing service agreement
(Town of Clinton/EE-0149)

Excel Elevator & Escalator will continue to provide service for vertical transportation as
outlined in the contract with the following update:

The hourly labor rates for your account will be as follows:

Mechanic: \$350/hour

Helper: \$273/hour

Team: \$623/hour

As per the original contract, these rates may be subject to annual escalation, but we will
cap that increase to no more than 3% per year.

Please sign on the provided line below to acknowledge and accept the amendment.

Regards,

Ryan Smith – 201-430-5985
