Re: Bid Request for Estimates

The Town of Clinton is seeking estimates for (5) garage doors to have rubber weather stripping and seals installed. This came as a recommendation to help reduce the air leaks and maintain the heat from escaping to better improve the energy usage. Also needed are (4) garage door electric eye sensors to comply with the risk management safety requirements.

Please contact us at your convenience.

Note: Openings are to be prepared by others, jambs must be plumb and openings square. We assume no obligations for the physical condition of your masonry and disclaim all responsibility for failure of our materials or installation through soft brick, crumbling masonry, etc. Doors will not be painted by us unless definitely mentioned in this quotation. It is agreed that they are to be painted by you, or others immediately after erection, and on both sides, otherwise we cannot be held responsible for the resistant condition of the wood. All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs, will become an extra charge over and above the estimate. Wiring for electric operator is not included in our quotation. All prices are subject to change without notice. All agreements contingent upon strikes, accidents or delays beyond our control owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by workers compensation insurance. In the event that Dutchess Overhead Doors is forced to institute collection proceedings due to a default in payment, the Purchaser and the undersigned principal owner, officer, director, or member of the Purchaser agrees to be personally liable, jointly and severally, for the prompt payment of the account and any and all expenses incurred in the collection of the account, including actual legal fees, because of the failure to pay the account when due.

**Acceptance of Proposal** - The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be as outlined above. SIGN AND RETURN WITH DEPOSIT
