

Friends of Clinton Recreation's Fundraising Project 2025

The Clinton Recreation Department has begun a banner advertisement fundraising project at Friends Park to help improve our programming. With a **\$350** donation, your business can be advertised on an outfield banner. It is a

great way of promoting your business while showing pride and support for our local families and community. A portion of the \$350 donation pays for the banner and the remainder will go to the Recreation Department.

- **Our GOAL:** Raise funds to improve Friends Park by creating a tennis/pickleball court, moving existing playground equipment to a drier location, and expanding our current playground with the addition of new equipment.

The Banners

- All banners will be 3 x 5 feet in size and made of vinyl mesh with a border seam and grommets using the business' color choice. Each banner will include the business name/logo, phone number, and web address.
- Banners will be displayed from April until November 1st each year. The Clinton Rec provides installation, removal, and off-season storage.
- We plan for Banners UP! to be an annual fundraising campaign with the fee to display your banner the following year to be approximately **\$200**.
- All advertising is reviewed and approved by the Clinton Recreation Committee.

What do you need to do?

- Email us your business card (which includes the business name or logo, phone number & website → **preferably a .jpg file**
- Send your information (Please include: Business address, phone number & contact person) to [**Dan@townofclinton.com**](mailto:Dan@townofclinton.com)
- Checks should be made out to the **Town of Clinton**. On the memo line: **RECREATION**
- We will send a receipt and confirmation back to you.
