

## **Paychex**

Timeclock or cell phone or desktop computer to log in

On-line service for employees to view

They will file all taxes, W2, unemployment filings, etc

Familiar with working with our NYS Retirement program

Cost = \$1140/year for the service and \$91/month for the timeclock (Highway employees only)

Local Highway Depts = PV, Lagrange, Beekman

## **Kronos System**

Cloud based – can use the timeclock, cell phone or computer to log in

they work with us to define our policies – their system can adapt to our separate policies based on dept (ie: Union vs Town policy).

Local company out of Albany – 52 years in business

Cost = \$350/month for Highway only, but \$500/month for getting the entire Town

Dutchess County and Town of Pok use this system

\*offered to give us a Web presentation (Similar to what I had done for the iWorq program)
