150

00:15:11.280 --> 00:15:17.850

Dean Michael: An array that would that would include both the town and accounting. I mean that the county and state grows as well as the town.

151

00:15:18.510 --> 00:15:19.470

Clinton Supervisor Ray Oberly: I don't think we can

152

00:15:19.530 --> 00:15:21.150

Clinton Supervisor Ray Oberly: Touch like the time

153

00:15:22.980 --> 00:15:24.240

Dean Michael: Yeah, no, I don't think we

154

00:15:24.630 --> 00:15:31.440

Dean Michael: Aren't way but but I'm thinking about the state parts of the economy. I mean, the salt point where we've been.

155

00:15:31.710 --> 00:15:32.490

Playing with them.

156

00:15:33.900 --> 00:15:34.260

Clinton Supervisor Ray Oberly: Yeah.

157

00:15:35.550 --> 00:15:42.240

Clinton Supervisor Ray Oberly: Well, the county on time from the state

158

00:15:44.250 --> 00:15:49.050

Clinton Supervisor Ray Oberly: Okay. Roll call vote overly I
Cunningham.

159

00:15:50.130 --> 00:15:51.570

Nancy Cunningham: Hi, Julia.

160

00:15:52.530 --> 00:15:54.390

Clinton Supervisor Ray Oberly: Hi Michael

161

00:15:54.780 --> 00:15:55.020

I

162

00:15:56.340 --> 00:15:56.730

Clinton Supervisor Ray Oberly: Can

163

00:15:57.030 --> 00:15:59.010

Clinton Supervisor Ray Oberly: I multitask.

164

00:16:02.160 --> 00:16:23.010

Clinton Supervisor Ray Oberly: Next one is the equipment furnished
application, we need to have them sign this partner rentals equipment
credit application to rent highway equipment as needed. Don't have
occurred on actually read things like maybe a special role or

165

00:16:23.070 --> 00:16:24.720

Clinton Supervisor Ray Oberly: Something like that, that we don't have

166

00:16:26.280 --> 00:16:27.180

Clinton Supervisor Ray Oberly: Coconut oil.

167

00:16:28.470 --> 00:16:30.870

Clinton Supervisor Ray Oberly: So I'm a promotion here,

168

00:16:34.110 --> 00:16:51.660

Clinton Supervisor Ray Oberly: Okay. Your turn the following
resolution to resolve that the town board approves resolution number
33 or 2020 a contract with part of rentals for the rental contract is
equivalent and miscellaneous equipment and also authorizes the
supervisors.

169

00:16:53.760 --> 00:16:54.300

Clinton Supervisor Ray Oberly: Second,

00:16:54.720 --> 00:16:55.770

Chris Juliano Council Person: Giuliana second

171

00:16:56.820 --> 00:16:58.200

Clinton Supervisor Ray Oberly: Okay, in one session.

172

00:16:59.790 --> 00:17:11.520

Nancy Cunningham: If not, if not, if I'm not mistaken, just for affirmation, I believe that Todd has gone out and acquired a really good

173

00:17:13.050 --> 00:17:27.930

Nancy Cunningham: Price for all the rentals versus what we had been paying it in prior to that, and across the board. So I would like to at least mention that because he is going to in the process of doing if he will save some money.

174

00:17:28.710 --> 00:17:29.310

Nancy Cunningham: Well done.

175

00:17:29.730 --> 00:17:30.150

Thank you.

176

00:17:32.010 --> 00:17:33.630

Clinton Supervisor Ray Oberly: Know call overly I

177

00:17:36.720 --> 00:17:37.110

Nancy Cunningham: I

178

00:17:42.480 --> 00:17:43.410

Clinton Supervisor Ray Oberly: Know,

179

00:17:44.100 --> 00:17:45.270

Clinton Supervisor Ray Oberly: I will

180

00:17:45.540 --> 00:17:46.950

Clinton Supervisor Ray Oberly: I will

181

00:17:47.340 --> 00:17:47.730

I

182

00:17:48.960 --> 00:17:50.970

Nancy Cunningham: Motion carries. Okay, Chris.

00:17:51.810 --> 00:17:59.580

Chris Juliano Council Person: Okay, so just give you a little background so I felt it was important, since we've been doing is closed meetings and and Todd.

184

00:18:00.000 --> 00:18:03.510

Chris Juliano Council Person: Is the highway superintendent, as elected official he's been able to do a lot of

185

00:18:03.900 --> 00:18:10.740

Chris Juliano Council Person: Work. I wanted to give him some time, just a few minutes to talk about some of the projects and what he's been able to accomplish.

186

00:18:11.130 --> 00:18:16.680

Chris Juliano Council Person: Since he's taken office here. He's been able to get a lot done here. So I want to make a motion to a proud.

187

00:18:17.370 --> 00:18:26.730

Chris Juliano Council Person: I'm sorry to approve the following resolution, be it resolved that the town board approves allowing highway superintendent Todd Martin to join the meeting to speak on the highway mentors.

188

00:18:32.130 --> 00:18:33.300

Clinton Supervisor Ray Oberly: Will call overly

189

00:18:35.730 --> 00:18:36.150

Nancy Cunningham: Hi.

190

00:18:38.010 --> 00:18:38.310

Chris Juliano Council Person: I

191

00:18:38.700 --> 00:18:39.750

Dean Michael: Mobile aye.

192

00:18:41.070 --> 00:18:41.430

Michael Whitton - Councilmember: Aye.

193

00:18:41.700 --> 00:18:42.120

Motion.

194

00:18:45.750 --> 00:18:46.350

Todd Martin - Hwy Superintendent: Good evening.

00:18:47.850 --> 00:18:56.760

Todd Martin - Hwy Superintendent: Thank you for letting me speak tonight. Couple things blacktop and this year we did from chappelow to maple lane.

196

00:18:57.810 --> 00:19:06.450

Todd Martin - Hwy Superintendent: And then just pass Maybelline we continued to nine partners intersection arm and then we picked it up again from electronics to the parkway

197

00:19:07.080 --> 00:19:25.680

Todd Martin - Hwy Superintendent: That was black top and work in process right now rebuilding the shoulders on those roads. The other roads that we did this year for chips healing oil and stoning was browning from Clinton how a road to just pass Clinton, I have no we also did for kill road.

198

00:19:25.710 --> 00:19:27.180

Todd Martin - Hwy Superintendent: From roske lane.

199

00:19:27.210 --> 00:19:48.210

Todd Martin - Hwy Superintendent: To the High Park town line. We also did from for killed to a hollow road on ramp when oil and stone and this year so far. That's pretty much completing the highways stuff for as far as black top and chips. He on around stoning for this year.

200

00:19:50.850 --> 00:20:04.110

Todd Martin - Hwy Superintendent: To two new trucks have arrived to the dealership, along with the bodies, the wings and the Sanders were anticipating late fall delivery of the both trucks to gather

201

00:20:05.010 --> 00:20:11.280

Todd Martin - Hwy Superintendent: We're hoping and praying that were here before winter and it's a light winter and we really don't have to use the rest of the fleet as much

202

00:20:13.560 --> 00:20:18.990

Todd Martin - Hwy Superintendent: Also, I'd like to thank you guys for approval and the county's contract for

203

00:20:19.560 --> 00:20:29.820

Todd Martin - Hwy Superintendent: Picking up that piece of haul road from Quaker lane to swap point Turnpike like I said that that will pay almost 95% if not more of the payments of the two new truck. So basically,

204

roads, like I said, it's not costing taxpayers of the town of Clinton anything Dutchess County DP w is going to be paying us to take care of those roads anyways.

205

00:20:40.560 --> 00:20:51.840

Todd Martin - Hwy Superintendent: Um, so it's a big, big help for us. We will cross those roads and help pay for I tuned in trucks arm and it's no increased to our taxpayers, which I'd like to thank the Board again for that.

206

00:20:53.040 --> 00:21:03.210

Todd Martin - Hwy Superintendent: Also there is some stuff. Chris, I don't know if you want to bring me up. Let me speak about it. About surplus and some of the highway equipment we want to discuss the other stuff.

207

00:21:04.200 --> 00:21:08.700

Chris Juliano Council Person: Will go over what you got going on, you know, this is the so every computer what's going on.

208

00:21:08.700 --> 00:21:21.690

Todd Martin - Hwy Superintendent: Okay, so would with us purchasing these two new trucks and run out of room and I do not like place and are having equipment or trucks left outside all year round, or even part of the year around.

209

00:21:22.200 --> 00:21:33.540

Todd Martin - Hwy Superintendent: It's not, it's not good for the equipment or anything else. So what I'm proposing tonight is to surplus to four wheel drive old winter trucks. One is a

210

00:21:35.400 --> 00:21:43.620

Todd Martin - Hwy Superintendent: Ford F 700 the 22 that is not another 94 700 they're going to go with the

211

00:21:44.430 --> 00:21:56.430

Todd Martin - Hwy Superintendent: four wheel drive with the Sanders one kind of go with the plow because it's it's obsolete for our operation. Once that truck goes it's useless to. Awesome. Well, not hook up to another truck. It's just going to cost us more time and money for that.

212

00:21:57.180 --> 00:22:08.700

Todd Martin - Hwy Superintendent: The other thing I'm proposing tonight for surplus for the highway is a 1990 international for 90 tractor the tractor that you guys approve through the county

Todd Martin - Hwy Superintendent: Is going to replace this tractor. That's the track that we use for the dirt roads for breaking. So we're going to get rid of that tractor and

214

00:22:18.120 --> 00:22:26.070

Todd Martin - Hwy Superintendent: Use the one we got from the county, which is a lot better shape. The other proposal, I have is a two.

215

00:22:26.880 --> 00:22:42.750

Todd Martin - Hwy Superintendent: Straight trucks. We call them. It's just regular haul trucks ones in 1993 four to 800. The other is a 1990 international for 90 they're just two straight jobs. We call them. They're not for real jobs, like I said, they're just haul trucks, but

216

00:22:43.830 --> 00:22:54.870

Todd Martin - Hwy Superintendent: Those are gone and also the flower, the mower attachment, the boom our attachment for the back of the one tractor. It's obsolete all the parts come from England. It's a pain to get them.

217

00:22:56.010 --> 00:23:01.770

Todd Martin - Hwy Superintendent: It takes months and months for these parts to convince so that broken and said dumping more money into it.

218

00:23:02.010 --> 00:23:12.330

Todd Martin - Hwy Superintendent: We basically cut the ties with it. We got this more now from the county to offset that. So that's some of the stuff that I was looking to have surplus tonight on the other thing I'd like to, to

219

00:23:12.810 --> 00:23:19.350

Todd Martin - Hwy Superintendent: Put on too often there nationals, but all these prices are all these vehicles and stuff. We have reserves on to them. I'm going to

220

00:23:19.800 --> 00:23:24.060

Todd Martin - Hwy Superintendent: Share that with or give that with Chris and Nancy and stuff for you guys, so it's not like

221

00:23:24.390 --> 00:23:33.330

Todd Martin - Hwy Superintendent: We can get rid of these vehicles for \$100 or \$50 we said reserves on to them. So if they don't go the nail. They don't go and the town board has the right to reserve those

222

00:23:33.720 --> 00:23:45.930

Todd Martin - Hwy Superintendent: One thing I want to put on there

there's a bunch of attachments, we have for it.

223

00:23:46.440 --> 00:23:52.650

Todd Martin - Hwy Superintendent: That we don't use anymore like the Bronc because we have a broom. Now for the other loader that Theron had in the budget for this year.

224

00:23:52.950 --> 00:24:01.020

Todd Martin - Hwy Superintendent: Also the mower because we have the other lawn mowers and this county mower. So we don't need that more anymore at a set of force for that in a bucket.

225

00:24:01.830 --> 00:24:14.100

Todd Martin - Hwy Superintendent: We can see what they get for prices on that. Like I said, we reserve it on the only other thing that's not on here that I didn't bring up that I do want to that we're going to talk about tonight is the lower the lower that we have now.

226

00:24:15.420 --> 00:24:22.350

Todd Martin - Hwy Superintendent: We can put that on there, they are offering us anywhere between 10 to 12,500 for our leaders of trading right now.

227

00:24:22.620 --> 00:24:35.280

Todd Martin - Hwy Superintendent: So if you guys want we can put this on auction internationals or that auction place and how reserve and we get over that, that we can let it go. If it goes for less than that, at least we know the bottom line of what we're going to be getting on a trade on on that vehicle.

228

00:24:36.300 --> 00:24:40.080

Todd Martin - Hwy Superintendent: So those are some of the items I don't know want me to keep going or if you wanted to stop.

229

00:24:40.410 --> 00:24:40.830

Stuff.

230

00:24:47.850 --> 00:25:01.950

Chris Juliano Council Person: You want to talk about some of the stuff that we would the chips that you you know how we were working to end. What's going on with chips for, you know, next year, kind of coming in. What we're looking at potentially since you've been dealing with that we've been talking about that.

231

00:25:02.400 --> 00:25:15.120

Todd Martin - Hwy Superintendent: Um, I gave you guys. If not, I

the winter recovery.

232

00:25:16.020 --> 00:25:16.890

Todd Martin - Hwy Superintendent: They're saying

233

00:25:17.280 --> 00:25:19.230

Todd Martin - Hwy Superintendent: They're saying to spend that money.

234

00:25:19.470 --> 00:25:30.510

Todd Martin - Hwy Superintendent: This year, because they anticipate of only 80% next year to Pave New York in the winter recovery money might be taken away we submitted that paperwork or ready

235

00:25:31.380 --> 00:25:32.550

Nancy Cunningham: For for payment.

236

00:25:32.670 --> 00:25:39.630

Todd Martin - Hwy Superintendent: For the winter recovery and the paid New York money tonight when I'm asking for you guys is the money left over for blacktop and chips healing.

237

00:25:40.410 --> 00:25:57.330

Todd Martin - Hwy Superintendent: I'm asking you guys for a new loader. It's in front of you guys the make, model serial numbers off state that and also proposing a new pickup truck for myself or the highway superintendent, he hasn't had a truck in 16 years the one pickup truck. We have now was a

238

00:25:58.410 --> 00:26:04.080

Todd Martin - Hwy Superintendent: Huge truck from Redbox got 97,000 miles on to it. That's what I'm sharing with the crew and everything right now.

239

00:26:04.470 --> 00:26:15.120

Todd Martin - Hwy Superintendent: And the other truck that we have the white truck with the lift gate has two wheel drive. So it's basically useless to us in the winter and that's got 170 and 118,000 miles on tour right now.

240

00:26:15.660 --> 00:26:20.940

Todd Martin - Hwy Superintendent: So if we're updating the trucks and the equipment. Might as well do the pickup trucks and stuff. We have the money there.

241

00:26:21.720 --> 00:26:36.300

trying to find every which way possible to help fund this stuff, like I said, buy this stuff and then sell it off this other stuff for revenue component offset some stuff also

242

00:26:38.370 --> 00:26:39.390

Clinton Supervisor Ray Oberly: Okay, thank you.

243

00:26:45.660 --> 00:27:02.190

Chris Juliano Council Person: Okay, so we want to work with Tom was talking about was the new truck and the new one day we'll loader. Now just, I just want to say fast that I've actually physically seen the condition of the old loader.

244

00:27:03.300 --> 00:27:11.670

Chris Juliano Council Person: The costs of doing repairs and we might have brought this up at one point was an excess of \$25,000 to do the repairs on an older unit.

245

00:27:12.060 --> 00:27:22.020

Chris Juliano Council Person: That is worn out and that's just a starting that could potentially be more on that sense Todd was able to do fairly well with everything.

246

00:27:22.620 --> 00:27:27.930

Chris Juliano Council Person: You know, within the town and with the chips, the area with the chips. We had to

247

00:27:28.620 --> 00:27:39.300

Chris Juliano Council Person: You know we got to spend it. So we're going to get it back that that's the thing, if we don't use it. We lose it. So it's not like it's coming out of the the town at the end they will receive it back from chips from a state so

248

00:27:39.990 --> 00:27:59.400

Chris Juliano Council Person: My first motion here would be to make a motion to approve the following resolution, be it resolved at the town board approves the purchase of a 2021 Chevrolet silver Silverado 3500 LT VA with one nine and a half foot Fisher.

249

00:28:00.450 --> 00:28:17.880

Chris Juliano Council Person: XV to stainless V plow and to Magni Magnum back racking with red, white LED at a cost, not to exceed \$40,032 I want the state been using the chips fund.

250

00:28:19.770 --> 00:28:21.780

Dean Michael: A microsecond oh

00:28:23.910 --> 00:28:33.330

Todd Martin - Hwy Superintendent: I was just a correction that's that's off the Dutchess counties contract price that's an optimal state bed that's off just to correct. That's what the Dutchess counties. Whoa.

252

00:28:38.940 --> 00:28:40.560

Clinton Supervisor Ray Oberly: Whoa, whoa, whoa.

253

00:28:42.420 --> 00:28:43.170

Clinton Supervisor Ray Oberly: Yes, multi

254

00:28:45.060 --> 00:28:45.480

Nancy Cunningham: Yay.

255

00:28:47.280 --> 00:28:49.110

Clinton Supervisor Ray Oberly: Oh no, I guess.

256

00:28:49.710 --> 00:28:51.540

Nancy Cunningham: We need to vote on it. I know.

257

00:28:53.010 --> 00:28:53.430

Nancy Cunningham: I

258

00:28:53.850 --> 00:28:54.090

See

259

00:28:55.290 --> 00:28:57.150

Nancy Cunningham: I want all

260

00:28:58.560 --> 00:28:59.640

Dean Michael: My uncle, I

261

00:29:00.030 --> 00:29:00.660

Within

262

00:29:01.890 --> 00:29:02.610

Clinton Supervisor Ray Oberly: Moshi can

263

00:29:04.530 --> 00:29:05.010

Clinton Supervisor Ray Oberly: You buy it.

264

265

00:29:12.960 --> 00:29:34.650

Chris Juliano Council Person: Ville loader. So I'd like to make a motion to approve the following resolution, be it resolved that the town board approves the purchase of a Hyundai H L dash 940 we'll loader at a cost, not to exceed \$119,530 off the state bid using chips of funds by the second

266

00:29:35.850 --> 00:29:36.330

Clinton Supervisor Ray Oberly: The second

267

00:29:37.890 --> 00:29:38.580

Clinton Supervisor Ray Oberly: Discussion.

268

00:29:40.200 --> 00:29:49.920

Todd Martin - Hwy Superintendent: Just one one comment on that, that loader does come with the extended warranty. Would that price I that's why with the trucks and the vehicles. We'd rather go with you.

269

00:29:51.150 --> 00:29:55.860

Todd Martin - Hwy Superintendent: They usually come in through your warranties. I went with the extra it's five five year warranty on that machine.

270

00:29:58.080 --> 00:30:01.290

Nancy Cunningham: Okay. Roll Call my

271

00:30:01.560 --> 00:30:02.340

Clinton Supervisor Ray Oberly: Home como

272

00:30:04.170 --> 00:30:05.010

Nancy Cunningham: Como

273

00:30:05.730 --> 00:30:07.170

Clinton Supervisor Ray Oberly: I multiple

274

00:30:07.350 --> 00:30:08.640

Clinton Supervisor Ray Oberly: I would

275

00:30:09.600 --> 00:30:10.740

Clinton Supervisor Ray Oberly: I motion.

276

00:30:13.170 --> 00:30:15.450

277

00:30:16.080 --> 00:30:29.160

Todd Martin - Hwy Superintendent: Your support and your help in this stuff and proven the highway department and everything else with the vehicles in the trucks and everything else. The crew appreciates it and sodas myself. Thank you guys.

278

00:30:29.610 --> 00:30:29.970

Michael Whitton - Councilmember: Thank you.

279

00:30:30.720 --> 00:30:32.160

Chris Juliano Council Person: Thank you, Todd for your hard work.

280

00:30:33.900 --> 00:30:35.040

Clinton Supervisor Ray Oberly: For Walton

281

00:30:36.960 --> 00:30:51.690

Nancy Cunningham: Okay, I guess. You've been hearing me talk about friends Park and how we wanted to do some needed upgrades and repairs in France Park and I just want to let everyone know that we have

282

00:30:52.320 --> 00:31:01.530

Nancy Cunningham: We started the process that will address the new roof on the pavilion, which is short sorely needed right now, we're not using the park.

283

00:31:02.040 --> 00:31:11.100

Nancy Cunningham: But if we had opened the park, we wouldn't have been able to use the pavilion anyway because the roof isn't such poor shape. So we've got two bids on that.

284

00:31:11.670 --> 00:31:26.730

Nancy Cunningham: The number will be under, under \$10,000 a third bid will be coming in, before the next board meeting, so I will be making a motion to replace the roof on the pavilion at the September meeting.

285

00:31:27.480 --> 00:31:38.100

Nancy Cunningham: The other discussion is on the fencing and backstop on the ball field at friends again for the last few years, we've needed to do something with.

286

00:31:39.420 --> 00:31:53.280

Nancy Cunningham: The highway department and our guys have shored up some of the posts and things to the point where it's really not something that's usable. So we are going to buy the next meeting asked

287

00:31:54.240 --> 00:32:05.820

Nancy Cunningham: Them to go out with a timeframe for replacing the fencing and the backstop in that park before the next year season and

288

00:32:06.870 --> 00:32:16.770

Nancy Cunningham: We, the all of that money would be coming out of what we call a subdivision fund for anyone that doesn't understand that fund has been in

289

00:32:17.550 --> 00:32:37.530

Nancy Cunningham: Health for us for a long time and it will cover both of these improvements that are totally made it, we're not able to get funding for friends Park. Otherwise, and we will be able to do it with that fun. So in the September meeting, I will be making proposals to get this stuff done. Okay.

290

00:32:38.610 --> 00:32:39.210

Thank you.

291

00:32:40.740 --> 00:32:41.160

Clinton Supervisor Ray Oberly: Chris

292

00:32:42.690 --> 00:32:51.660

Chris Juliano Council Person: Right. So, this we want to talk about a proven the sale of the surplus a surplus highway items that Todd basically mentioned

293

00:32:52.530 --> 00:33:06.210

Chris Juliano Council Person: In there, so I want to make emotion in order to prove the following resolution, be it resolved that the town board approves the sale of seven highway surplus items through absolute auctions as listed on Attachment A

294

00:33:08.370 --> 00:33:08.820

Chris Juliano Council Person: What's that

295

00:33:09.180 --> 00:33:10.110

Little section.

296

00:33:12.840 --> 00:33:13.680

Dean Michael: In Michael second

297

00:33:15.090 --> 00:33:15.810

Clinton Supervisor Ray Oberly: Discussion.

00:33:17.310 --> 00:33:26.760

Nancy Cunningham: Hi. The only thing I just like to comment on very quickly, is we do this every year but Todd has really gone out to look at

299

00:33:27.690 --> 00:33:34.650

Nancy Cunningham: Far beyond where we are by tomorrow so that we're not running into this problem again next year or the year after

300

00:33:34.890 --> 00:33:47.850

Nancy Cunningham: So I again kudos for the highway department. And this is a win win situation because all that money that we get from this surplus stuff will go right back into the highway fund to benefit the town. That's it.

301

00:33:57.000 --> 00:33:57.450

Michael Whitton - Councilmember: Did we

302

00:33:58.110 --> 00:33:58.830

Michael Whitton - Councilmember: Did we vote on it.

303

00:34:01.650 --> 00:34:03.330

Todd Martin - Hwy Superintendent: Only thing I'd like to add on that is

304

00:34:04.080 --> 00:34:11.670

Todd Martin - Hwy Superintendent: The loader cat loader to 2002. Remember I said a correction. If you guys don't mind putting that in on tonight's agenda.

305

00:34:12.060 --> 00:34:14.490

Todd Martin - Hwy Superintendent: 2002 cat loader.

306

00:34:18.180 --> 00:34:20.070

Chris Juliano Council Person: For the new loader.

307

00:34:20.190 --> 00:34:29.010

Todd Martin - Hwy Superintendent: Yeah, so this way. If we don't like the price on till we can take the trading price of it. But if we get higher than the trading price, then we go with the auction price well

308

00:34:29.580 --> 00:34:32.010

Nancy Cunningham: So we'll add that loader to Attachment A

309

310

00:34:34.260 --> 00:34:34.530

Yes.

311

00:34:35.880 --> 00:34:36.330

Todd Martin - Hwy Superintendent: Thank you.

312

00:34:39.450 --> 00:34:40.170

Clinton Supervisor Ray Oberly: Know,

313

00:34:41.310 --> 00:34:44.100

Nancy Cunningham: Your database, right. So maybe motion.

314

00:34:45.870 --> 00:34:47.820

Clinton Supervisor Ray Oberly: Overly I am

315

00:34:49.050 --> 00:34:49.590

Nancy Cunningham: I

316

00:34:51.240 --> 00:34:51.540

Nancy Cunningham: Hi.

317

00:34:51.930 --> 00:34:52.830

Dean Michael: Michael I

318

00:34:54.510 --> 00:34:54.840

Michael Whitton - Councilmember: I

319

00:34:55.470 --> 00:34:58.500

Clinton Supervisor Ray Oberly: Motion carry okay now in the cemetery.

320

00:34:59.970 --> 00:35:03.990

Michael Whitton - Councilmember: So, as you all remember just last month we approved new rules and regulations.

321

00:35:04.260 --> 00:35:06.210

Michael Whitton - Councilmember: And that was essentially so that we could

322

00:35:07.470 --> 00:35:13.110

Michael Whitton - Councilmember: Allow a family that had been waiting to bury some cremated remains because we didn't have anything our

323

00:35:13.800 --> 00:35:20.610

Michael Whitton - Councilmember: But as we also know that when you send out new rules and regulations, people had comments about a lot of other things besides the thing we were changing so

324

00:35:21.840 --> 00:35:26.490

Michael Whitton - Councilmember: I took all of those comments I sent them to Shane I incorporated what I could and I sent you guys the

325

00:35:27.180 --> 00:35:30.000

Michael Whitton - Councilmember: The new rules and regulations and I got no comments back so

326

00:35:31.290 --> 00:35:32.820

Michael Whitton - Councilmember: I just like to make a motion.

327

00:35:34.200 --> 00:35:43.560

Michael Whitton - Councilmember: Be it resolved that the town board approves resolution number 34 of 2020 cemetery rules and regulations, replacing resolution number 28 of 2020 and number

328

00:35:46.170 --> 00:35:49.230

Clinton Supervisor Ray Oberly: Cycle. Second. Any further discussion.

329

00:35:50.580 --> 00:35:51.540

Clinton Supervisor Ray Oberly: Roll call.

330

00:35:52.500 --> 00:35:53.400

Clinton Supervisor Ray Oberly: Roll call vote.

331

00:35:55.080 --> 00:35:55.830

Clinton Supervisor Ray Oberly: Early on,

332

00:36:01.680 --> 00:36:01.920

Chris Juliano Council Person: I

333

00:36:02.280 --> 00:36:03.600

Dean Michael: Michael. Hi.

334

00:36:03.960 --> 00:36:05.250

Michael Whitton - Councilmember: Witten I

335

336

00:36:08.190 --> 00:36:11.280

Clinton Supervisor Ray Oberly: Now we're down to resignations and appointments

337

00:36:13.230 --> 00:36:17.520

Nancy Cunningham: Okay, every year about this time we lose a few lifeguards

338

00:36:18.780 --> 00:36:30.330

Nancy Cunningham: Usually because they're going back to school, but in this year, not so much the case. So we need to replace two of the lifeguards. And so I'd like to make the motion.

339

00:36:31.380 --> 00:36:31.830

Nancy Cunningham: That

340

00:36:32.940 --> 00:36:49.830

Nancy Cunningham: First of all, make a motion that the town board or prove the following the resolve of the town board approved resolution number 35 of 2024 summer season lifeguards and the individuals are George Ashworth and Alexander casino.

341

00:36:50.970 --> 00:37:03.570

Nancy Cunningham: And they would be for a term of july 1 through October 1 2020 at the rate of \$12 and 72 cents an hour you Michael second

342

00:37:05.940 --> 00:37:10.260

Clinton Supervisor Ray Oberly: Session will call over the eye on him.

343

00:37:11.340 --> 00:37:13.170

Nancy Cunningham: I know

344

00:37:14.910 --> 00:37:15.480

Clinton Supervisor Ray Oberly: Mobile

345

00:37:15.750 --> 00:37:17.190

Clinton Supervisor Ray Oberly: I within

346

00:37:17.580 --> 00:37:17.850

I

347

348

00:37:31.980 --> 00:37:38.610

Nancy Cunningham: Most mostly everyone knows that one of the things we have we have boards for the zoning and for planning.

349

00:37:39.300 --> 00:37:48.540

Nancy Cunningham: They're all volunteer individuals in the community who are really dedicated to do things to really move the town forward in a positive way.

350

00:37:49.050 --> 00:38:00.330

Nancy Cunningham: And we have a resignation from the Zoning Board Sony board of approval and I'd like to make a motion that

351

00:38:01.170 --> 00:38:25.950

Nancy Cunningham: The town board, except to the resignation of Virginia moral from the CVA effective August 31 2020 her term ends 1231 2025 so we will be looking in the community for someone to possibly contact us and maybe volunteer to take her place.

352

00:38:27.090 --> 00:38:35.010

Nancy Cunningham: These boards are critical. And I just can't stress the importance and truly we'd like to thank Virginia for her service.

353

00:38:36.210 --> 00:38:37.110

Dean Michael: You Michael second

354

00:38:39.210 --> 00:38:39.900

Clinton Supervisor Ray Oberly: Session.

355

00:38:40.110 --> 00:38:55.470

Chris Juliano Council Person: I just want to say that I had the chance to work with Virginia on the board. When I was on the zoning board before getting elected and if she did a she was a good voice reason had some legal expertise. She was able to bring sad to see her leave.

356

00:38:57.210 --> 00:39:09.720

Chris Juliano Council Person: But I do agree with Nancy, if there's anyone that's out there that like to take the opportunity to great position. I enjoyed my two years on the board. And I got to learn a lot about the town with that. I just want once

357

00:39:09.990 --> 00:39:19.740

Dean Michael: We. I mean, just add an extra. I mean, I think every board member. I mean, we are so lucky that we have so many highly

358

00:39:20.130 --> 00:39:31.980

Dean Michael: Attorneys and architects and so on and so forth that you know we're kind of spoiled in that way. And, you know, for having a volunteer board. You know, I think them all and thank you, Virginia as well.

359

00:39:32.970 --> 00:39:41.190

Michael Whitton - Councilmember: I'll just give my two cents and thank Virginia as well. I met her when she first moved to the town and she thought she was a real great asset to the board so sad to see her go.

360

00:39:44.160 --> 00:39:45.660

Clinton Supervisor Ray Oberly: Wrong for roll call.

361

00:39:46.230 --> 00:39:47.250

Clinton Supervisor Ray Oberly: Over the y

362

00:39:47.550 --> 00:39:48.360

Clinton Supervisor Ray Oberly: Como home.

363

00:39:49.350 --> 00:39:50.970

Nancy Cunningham: Hi. Hello.

364

00:39:51.570 --> 00:39:52.800

Clinton Supervisor Ray Oberly: Hi Michael

365

00:39:53.100 --> 00:39:54.390

Clinton Supervisor Ray Oberly: I what can

366

00:39:54.630 --> 00:39:56.580

Clinton Supervisor Ray Oberly: This is my time.

Clinton Supervisor Ray Oberly: In we've had a resignation of full time position to part time position by my secretary seneschal Smith.

370

371

00:40:14.760 --> 00:40:15.750

Clinton Supervisor Ray Oberly: Two days a week.

372

00:40:16.230 --> 00:40:27.630

Clinton Supervisor Ray Oberly: So love to laugh days left for coverage. So without occurring. We tried to shuffle some things around to make the activity work.

373

00:40:28.830 --> 00:40:30.510

Clinton Supervisor Ray Oberly: So we were covered all the time.

374

00:40:31.980 --> 00:40:34.050

Clinton Supervisor Ray Oberly: She was full time before she changed.

375

00:40:35.070 --> 00:40:53.880

Clinton Supervisor Ray Oberly: So I'm going to emotion that the town board approves the following as a region be resolved that the tomboy accepts Smith's request become a part time from a full time secretary supervisor separate very good supervisor EFFECTIVE SEPTEMBER 1 20 22nd.

Nancy Cunningham: Hi.

380

00:41:03.720 --> 00:41:05.370

Chris Juliano Council Person: Julia. Hi.

381

00:41:05.880 --> 00:41:06.960

Dean Michael: Michael I

382

00:41:07.290 --> 00:41:08.640

Michael Whitton - Councilmember: When I

multitask.

384

00:41:11.940 --> 00:41:14.490

Clinton Supervisor Ray Oberly: The other PCs, the following

385

00:41:14.820 --> 00:41:15.000

Nancy Cunningham: The

386

00:41:15.060 --> 00:41:17.010

Clinton Supervisor Ray Oberly: extra days and we have

387

00:41:29.130 --> 00:41:31.020

Clinton Supervisor Ray Oberly: So now we have to reappoint

388

00:41:32.340 --> 00:41:34.410

Clinton Supervisor Ray Oberly: Samantha to the two days a week.

389

00:41:35.880 --> 00:41:55.320

Clinton Supervisor Ray Oberly: I made the motion that the town board approves the changing of the point of semantic Smith, the Secretary to supervisor from full time to part time for 18 hours per week at \$19 per hour. And since all medical vision and dental benefits effective December 1 22nd.

390

00:41:57.360 --> 00:41:58.410

Chris Juliano Council Person: Giuliano second

391

00:41:59.220 --> 00:42:00.660

Clinton Supervisor Ray Oberly: Okay, whoa Kobo overly hi

393

00:42:07.410 --> 00:42:07.800

Nancy Cunningham: Hi.

394

00:42:09.810 --> 00:42:10.050

Chris Juliano Council Person: Hi.

395

00:42:10.650 --> 00:42:11.190

Michael

396

397

00:42:17.250 --> 00:42:17.970

Clinton Supervisor Ray Oberly: When

398

00:42:18.720 --> 00:42:19.050

I

399

00:42:23.850 --> 00:42:25.350

I would like to say something.

400

00:42:26.940 --> 00:42:28.380

Nancy Cunningham: Just for edification.

401

00:42:29.430 --> 00:42:38.940

Nancy Cunningham: Kozak 19 has affected all of us in so many ways. And some of the changes that we're saying to some people might

402

00:42:39.450 --> 00:42:49.800

Nancy Cunningham: They might question like, Well, why this, why so whatever I just want to say that we're all affected by this. And some of this is reflected in the emotions that we bank. That's all.

403

00:42:55.980 --> 00:42:56.400

Clinton Supervisor Ray Oberly: Considering

404

00:42:56.880 --> 00:42:59.400

Clinton Supervisor Ray Oberly: Pointing Rebecca knows who was

405

00:42:59.880 --> 00:43:07.500

Clinton Supervisor Ray Oberly: A part time clerk already from zoning vision, putting the fill in the rest of the day is up in my office here, you have to

406

00:43:09.180 --> 00:43:19.110

Clinton Supervisor Ray Oberly: Make the motion at the town board rooms with following resolution be resolved that the town board approves the point and the director knows as part time town a time

407

00:43:19.830 --> 00:43:33.570

Clinton Supervisor Ray Oberly: Part time clerk working in addition to his own vision, quote, also in the town supervisors office for 16 hours per week at the same \$15 per hour effective policy.

408

409

00:43:39.690 --> 00:43:40.620

Dean Michael: In my second

410

00:43:41.940 --> 00:43:42.390

Clinton Supervisor Ray Oberly: Question.

411

00:43:42.630 --> 00:43:48.120

Dean Michael: Yeah, just clarify, you know, so people who aren't privy to our discussion earlier.

412

00:43:49.140 --> 00:43:58.470

Dean Michael: Is that, you know, I just expressed concern that the town should be looking at ways to to cut back based on the fact that our budget is going to be severely hurt.

413

00:43:58.470 --> 00:44:08.520

Dean Michael: This year and and I don't want to be expanding government. So it's a net cost nothing to us. So that's why I'm agreeing to go on with

414

00:44:09.840 --> 00:44:15.630

Clinton Supervisor Ray Oberly: Financially just about neutral all is James Okay roll call.

415

00:44:16.710 --> 00:44:17.940

Clinton Supervisor Ray Oberly: Overly I

416

00:44:18.030 --> 00:44:18.840

Cunningham.

417

00:44:19.860 --> 00:44:20.250

Nancy Cunningham: Hi.

418

00:44:21.240 --> 00:44:22.740

Chris Julianio Council Person: Giuliana hi

419

00:44:24.690 --> 00:44:25.350

Clinton Supervisor Ray Oberly: Michael

420

00:44:25.470 --> 00:44:26.910

Clinton Supervisor Ray Oberly: I within

Clinton Supervisor Ray Oberly: I melting carrying

422

00:44:31.680 --> 00:44:33.420

Clinton Supervisor Ray Oberly: This part of this shuffle.

423

00:44:35.250 --> 00:44:45.810

Clinton Supervisor Ray Oberly: So Martin has agreed to go full time and take back some of the tasks that you gave to my office about a 10 months ago or 12 months.

424

00:44:47.670 --> 00:44:58.590

Clinton Supervisor Ray Oberly: Some time back so that will be some of the work in my office, but also increase, increase her and so cheeky full time. So that's what this is about.

425

00:44:59.280 --> 00:45:05.610

Clinton Supervisor Ray Oberly: And make a motion at the time board approves the following resolution to resolve that the town board approves the appointment of town.

426

00:45:06.150 --> 00:45:31.170

00:45:32.100 --> 00:45:33.060

Chris Juliano Council Person: liana second

428

00:45:33.600 --> 00:45:34.770

Clinton Supervisor Ray Oberly: Any more discussion.

429

00:45:35.910 --> 00:45:41.910

Nancy Cunningham: I, yeah, I would just like to make a comment. Certainly, I understand the reason for doing all this

430

00:45:42.990 --> 00:45:55.680

Nancy Cunningham: The one thing that I did voice that the list of duties that Samantha has to this point are very extensive as as everyone else's

431

00:45:56.070 --> 00:46:07.980

Nancy Cunningham: So one of the caveats. I want on this is that we we scrutinize this list of duties and we make a very definitive list as to who is doing what

00:46:08.370 --> 00:46:24.930

Nancy Cunningham: And who has responsibility for what because it just could get very confusing at this point and and Samantha will only have two days a week in the office and she must be able to do the critical things that she's responsible for. So that's the only caveat I put on it.

433

00:46:29.130 --> 00:46:31.080

Clinton Supervisor Ray Oberly: Will will just know

434

00:46:31.710 --> 00:46:34.320

Nancy Cunningham: Well, I don't think it has to be amended the

435

00:46:35.130 --> 00:46:35.760

Nancy Cunningham: Standard

436

00:46:36.480 --> 00:46:37.260

Protocol was

437

00:46:39.540 --> 00:46:43.590

Nancy Cunningham: In the resolution, but I do want to state that this needs to be done. That's all.

438

00:46:45.090 --> 00:46:45.960

Nancy Cunningham: Whoa, whoa, whoa.

439

00:46:46.320 --> 00:46:48.300

Clinton Supervisor Ray Oberly: Today,

469

00:48:47.880 --> 00:48:52.260

Clinton Supervisor Ray Oberly: With a very two quarters to have compared to the budget and make a motion.

Clinton Supervisor Ray Oberly: That the town board approves of july
2020 supervisors report second

471

00:49:00.120 --> 00:49:00.990

A microsecond

472

00:49:03.480 --> 00:49:03.780

Clinton Supervisor Ray Oberly: Of

473

00:49:05.250 --> 00:49:06.750

Clinton Supervisor Ray Oberly: The supervisors report.

474

00:49:08.820 --> 00:49:13.980

Clinton Supervisor Ray Oberly: Any further discussion. Okay. Roll Call
overly I Cunningham, I

475

00:49:15.210 --> 00:49:17.220

Nancy Cunningham: I, you know,

476

00:49:17.820 --> 00:49:19.200

Clinton Supervisor Ray Oberly: I Michael

477

00:49:19.440 --> 00:49:20.220

Clinton Supervisor Ray Oberly: I what

478

00:49:20.880 --> 00:49:22.590

Clinton Supervisor Ray Oberly: I mostly carry

479

00:49:24.450 --> 00:49:25.410

Clinton Supervisor Ray Oberly: Ready for Jeremy

480

00:49:25.860 --> 00:49:28.080

Michael Whitton - Councilmember: Can I say one thing I'm

481

00:49:28.590 --> 00:49:29.490

Michael Whitton - Councilmember: OK, waiting.

482

00:49:30.660 --> 00:49:43.230

Michael Whitton - Councilmember: Because we're not doing our reports
and everything. I just wanted to bring up something about the
cemeteries, because I'm really proud of what's going on there right
now for one Ryan and why are doing amazing work. They're going above
and beyond. They've cleared.

00:49:43.710 --> 00:49:47.280

Michael Whitton - Councilmember: Brush in Providence where we found seven stones that we didn't even know where they are.

484

00:49:48.570 --> 00:49:55.440

Michael Whitton - Councilmember: They found a bench in Pleasant plains that we didn't know was there. They're clearing a lot of a lot of brush and doing fantastic work.

485

00:49:57.270 --> 00:50:10.920

Michael Whitton - Councilmember: Elliot, and I had a tour with a man from the Division of Cemeteries from New York State where we toured all three cemeteries, one day, and we went through a whole list of things that are eligible for grants from the state for maintenance and so

486

00:50:12.210 --> 00:50:20.640

Michael Whitton - Councilmember: We're, we're going to be working on that over the next couple months to get that application in but it looks like it would be a sizable grant for equipment and and restoring stones that are

487

00:50:21.450 --> 00:50:37.710

Michael Whitton - Councilmember: Either broken or leaning fixing fence, things like that. And the third thing I wanted to thank the highway department, the signs at Providence and pleasant plains. There's three of them total to a pleasant plains. Want to Providence. They were made, actually, by my father about 34 years ago.

488

00:50:38.760 --> 00:50:53.880

Michael Whitton - Councilmember: And the highway department took them down for me and my father and I are restoring and we got one done so far, and we should have the other two done soon so it's all positive developments all free and not crossing the town and things. So we're pretty happy what's going on.

489

00:50:57.000 --> 00:51:09.570

Nancy Cunningham: I'd like to, I'd like to second that I have gotten numerous calls from people that I know and people that community that I really don't know commenting on the condition of the cemetery.

490

00:51:10.110 --> 00:51:22.620

Nancy Cunningham: And how, you know, I don't know who they they said I don't know who's doing the job, but this is sorely needed. And over the years, they have to start a fabulous job. So again, I'd like to second what Michael has said.

491

you know, these aren't just people that were buried. These are people sons and wives.

492

00:51:29.370 --> 00:51:30.630

Michael Whitton - Councilmember: And they're still around your family's

493

00:51:30.750 --> 00:51:32.520

Michael Whitton - Councilmember: Still around and visiting them. So it means a lot to be

494

00:51:33.780 --> 00:51:34.110

Nancy Cunningham: Yep.

495

00:51:35.610 --> 00:51:36.660

Nancy Cunningham: Thank you. Okay.

496

00:51:37.980 --> 00:51:38.970

Clinton Supervisor Ray Oberly: Make a motion.

497

00:51:39.330 --> 00:51:40.410

Clinton Supervisor Ray Oberly: That the town board.

498

499

Dean Michael: Being Michael second

500

Clinton Supervisor Ray Oberly: Roll Call overly I telling him.

Nancy Cunningham: Hi, Julia. Hi.

502

Clinton Supervisor Ray Oberly: Wilton

504

00:51:53.370 --> 00:51:58.590
