Dean Michael: All right.

32

00:04:01.950 --> 00:04:02.580

Clinton Supervisor Ray Oberly: Within

33

00:04:02.970 --> 00:04:05.100

00:04:06.450 --> 00:04:13.680

Clinton Supervisor Ray Oberly: Next one. I make a motion to approve the following resolution to resolve that the town board.

Clinton Supervisor Ray Oberly: And discussion.

37

00:04:31.350 --> 00:04:34.050

Clinton Supervisor Ray Oberly: Roll Call overly I Julia of

38

00:04:36.330 --> 00:04:37.140

Clinton Supervisor Ray Oberly: Being Michael

39

00:04:38.430 --> 00:04:39.000

Clinton Supervisor Ray Oberly: Witten

40

00:04:39.630 --> 00:04:41.310

Clinton Supervisor Ray Oberly: I motion carries.

41

00:04:42.540 --> 00:04:55.650

Clinton Supervisor Ray Oberly: Supervisor overly appoints councilman being Michael as deputy supervisor, where the term of office January 1 2021 to December 31 2021 at this time. Tell makin has an appointment.

42

00:04:56.340 --> 00:05:08.490

Town Clerk Carol Mackin: And it's my pleasure to reappoint Mary Malloy deputy town clerk biostatistics registrar with the term of office from January 120 21 to December 31 2021

43

00:05:10.470 --> 00:05:16.710

Clinton Supervisor Ray Oberly: Okay that's done. Next one is to approve setting resolutions.

44

00:05:17.790 --> 00:05:25.560

Clinton Supervisor Ray Oberly: We can go through each one, but it's a lot of roll call, or they've been distributed to the board. They'll be attached to the mix at all.

45

00:05:25.950 --> 00:05:43.560

Clinton Supervisor Ray Oberly: So I make a motion to approve the following resolution, the resolve that the town board approved resolution one to make any appointments to establish town positions and they're ready to pay resolution to to establish town board is on

46

00:05:45.060 --> 00:05:55.260

Clinton Supervisor Ray Oberly: Resolution three two apart. Something professionals resolution for the designate regular meeting nights are all boards and committees.

47

media resolution six the designated official banks of deposit for town funds and resolution seven

48

00:06:10.710 --> 00:06:17.100

Clinton Supervisor Ray Oberly: To make appointments to town board and committees. So, do I have a second

49

00:06:17.550 --> 00:06:18.360

Dean Michael: The Michael second

50

00:06:19.080 --> 00:06:19.800

Chris Juliano Council Person: Discussion.

51

00:06:20.220 --> 00:06:22.980

Clinton Supervisor Ray Oberly: Up. Well, yeah, I was gonna get their discussion. Okay.

52

00:06:22.980 --> 00:06:23.430

Okay.

53

00:06:25.860 --> 00:06:31.710

Chris Juliano Council Person: Um, did we make changes to the liaisons as per our conversation.

54

00:06:32.370 --> 00:06:34.710

Clinton Supervisor Ray Oberly: Well, we will. That's what I was going to do.

55

00:06:35.190 --> 00:06:35.550

Chris Juliano Council Person: Okay.

56

00:06:36.030 --> 00:06:55.680

Clinton Supervisor Ray Oberly: Chris Giuliani in resolutions to requested to pick up in addition to the items listed there the municipal code enforcement inspector and moving it from being Michael to his duties and I agree with that.

57

00:06:57.360 --> 00:06:59.010

Chris Juliano Council Person: And the reason that I picked

58

00:06:59.010 --> 00:07:03.480

Clinton Supervisor Ray Oberly: This because obviously some stuff changed.

Chris Juliano Council Person: And as far as I seen. So, you know, I didn't have a lot at that point on air since things changing. I'm not on Highway anymore. That kind of changed there so that

60

00:07:17.550 --> 00:07:21.960

Michael Whitton: That was one thing I wanted to bring up I don't mind being appointed to highway committee but I

61

00:07:22.980 --> 00:07:33.240

Michael Whitton: It's too bad that Nancy is not here tonight because I thought she did have an objection to that move of her moving out of my way. And so I just want to mention it. I don't know if anybody if we just want to stick with it, but

62

00:07:34.050 --> 00:07:39.930

Chris Juliano Council Person: Well, originally, I wanted to stay with highway, Mike. That was my intention. It's a strong suit of mine.

63

00:07:41.130 --> 00:07:49.110

Chris Juliano Council Person: Ray has other things on that, you know, that was my thing. I think I'd be better well served and doing the general fund more on that.

64

00:07:50.010 --> 00:08:01.710

Chris Juliano Council Person: With my experience with, you know, heavy equipment and everything else, working with that so personally I'd rather stay on highway, but you know i mean that it depends on how everyone wants to vote.

65

00:08:03.090 --> 00:08:03.900

Clinton Supervisor Ray Oberly: And that's all

66

00:08:06.270 --> 00:08:15.690

Clinton Supervisor Ray Oberly: I was saying with Chris. We haven't changed him around so that people have who have been on general fund, having been on Highway

67

00:08:16.140 --> 00:08:29.340

Clinton Supervisor Ray Oberly: So we're trying to just allow people to learn more about other aspects of town government. So they're familiar when we're voting on things and they have some other insight and changes that may be important as

68

00:08:31.260 --> 00:08:33.030

Clinton Supervisor Ray Oberly: So that

Dean Michael: I've been on all of them and I have no problem and doing whatever I'm needed

70

00:08:41.940 --> 00:08:49.260

Dean Michael: But I do think that Chris has done a pretty good job and I would definitely you know, want to see Chris stay there, but

71

00:08:50.310 --> 00:08:53.370

Dean Michael: You know I'm available any any any department doesn't matter.

72

00:08:54.960 --> 00:08:55.620

Clinton Supervisor Ray Oberly: Okay.

73

00:08:56.400 --> 00:09:06.630

Michael Whitton: So, so I guess I guess my question is, Dean. Do you, do you want Chris to switch with you because I think you're on Highway committee right now. Or I mean I'm happy to get the experience doing it.

74

00:09:07.560 --> 00:09:11.460

Dean Michael: Yeah, I mean I think Chris does have a little bit of a

75

00:09:12.810 --> 00:09:19.830

Dean Michael: An experience that helps him do that position, better than probably the rest of us.

76

00:09:22.620 --> 00:09:25.230

Michael Whitton: So there are two of us on there right now it's Dean and myself.

77

00:09:26.370 --> 00:09:26.880

Clinton Supervisor Ray Oberly: As always,

78

00:09:27.750 --> 00:09:34.890

Michael Whitton: Yeah. So what I'm saying, I'm so I guess I'm just asking game do you want to be removed or would you rather I'd be removed. I wouldn't mind staying to get the

79

00:09:36.000 --> 00:09:49.320

Dean Michael: Yeah, I mean, I'm willing to give it up because I think that Chris does add value to that. So I'm willing to do whatever anybody else wants I've

80

81

00:09:50.640 --> 00:10:05.340

Dean Michael: Every position. So it doesn't matter to me, one way or the other. But I do think that Chris has more experience when it comes to certain technical things that he has over me when it comes to heavy women and and construction and everything else. So

82

00:10:06.330 --> 00:10:07.410

Chris Juliano Council Person: Mike, I look forward to

83

00:10:07.410 --> 00:10:07.950

Chris Juliano Council Person: Working with you.

84

00:10:08.460 --> 00:10:09.060

Dean Michael: All I'm saying

85

00:10:09.540 --> 00:10:15.450

Michael Whitton: Yeah, so I'm I'm fine with making that change and I'll stay hydrated drink, Chris.

86

00:10:15.510 --> 00:10:15.870

Yes.

87

00:10:17.250 --> 00:10:18.150

Clinton Supervisor Ray Oberly: So, I mean,

88

00:10:19.320 --> 00:10:26.910

Clinton Supervisor Ray Oberly: I had a discussion with Chris at four o'clock or whatever it was. And, you know, we moved the

89

00:10:29.190 --> 00:10:44.580

Clinton Supervisor Ray Oberly: Pope municipal code enforcement performers EBIT da person over to complement the building inspector to solve it. You know, you're looking at both aspects of the same kind of job. So, and he he was satisfied with that so

90

00:10:45.720 --> 00:10:53.760

Clinton Supervisor Ray Oberly: I just think it's a good learning process to just move people on because fresh ideas could pop up. Who knows.

91

00:10:56.310 --> 00:11:00.000

Dean Michael: And I've certainly ask the past. I'm just saying that

If

93

00:11:03.510 --> 00:11:05.940

Dean Michael: I'm willing to give up my my

94

00:11:06.990 --> 00:11:13.890

Dean Michael: Position on the highway, as I've done it before. So it's not like I need the experience, but I think he has certain

95

00:11:14.280 --> 00:11:17.220

Dean Michael: Outside experience that helps him do that position better

96

00:11:17.880 --> 00:11:28.200

Clinton Supervisor Ray Oberly: Yeah, we all, we all have special skills on it, which we can always draw upon stuff at somebody can ask him, hey, what's your opinion on this or bad or whatever. Anything else is

97

00:11:28.920 --> 00:11:40.200

Clinton Supervisor Ray Oberly: You know, when we have the vote on pieces of equipment or anything like that can certainly provide his guidance insight and stuff for that as it goes along and

98

00:11:40.980 --> 00:11:55.380

Chris Juliano Council Person: You know, Mike. My concern again and re and I know when we sat down and originally spoke about this. There's two things that was was bothering me with this and say, having spoken to Mike or Dean on this whole ordeal is

99

00:11:57.420 --> 00:12:08.820

Chris Juliano Council Person: Basically what I'm not saying not to, you know, putting on general fund is not that saying it's not important on their design warrants. And basically that's what the trade off was

100

00:12:09.330 --> 00:12:20.850

Chris Juliano Council Person: Where he wants to put me on highway or take me from highway on that. I think in this time where we're still dealing with budget issues and trying to keep down I'm better suited on one of the biggest parts of the budget.

101

00:12:21.990 --> 00:12:24.690

Chris Juliano Council Person: Within the highway as far as that goes.

102

being task loaded at the end of the day, because he had planning board zoning board highway among

103

00:12:37.050 --> 00:12:45.300

Chris Juliano Council Person: You know the code enforcement officer and the zoning revision committee on there. When I was basically getting the building inspector.

104

00:12:45.810 --> 00:13:03.810

Chris Juliano Council Person: And scenic highway a and signing some vouchers, quite frankly, I don't think that's the best way for the town to move forward. We take our strengths in this time and I'm a fast learner on pretty much anything, just like everyone else on the board has proven to be as well.

105

00:13:04.620 --> 00:13:08.730

Dean Michael: But plus the highway still dealing with the, the whole heating system and and

106

00:13:09.210 --> 00:13:10.860

Chris Juliano Council Person: I've been working on as well.

107

00:13:11.040 --> 00:13:14.040

Dean Michael: Some of you been working on and most experience.

108

00:13:15.390 --> 00:13:38.370

Clinton Supervisor Ray Oberly: But, but working on that highway heating system can be done by anybody. Okay, now he has a particular skills, but you don't have to be the liaison and be in that area to do that. Okay, there's like Witten well and painting contractor, the building. I'm sure he's not an expert in painting.

109

00:13:39.540 --> 00:13:46.980

Michael Whitton: The thing is though is that if we make those changes. It's not really changing anything. I'm still getting the extra experience that we're looking for, and

110

00:13:47.580 --> 00:13:54.930

Michael Whitton: Dean already has the experience on the highway. So we're just taking them off of that and putting Chris in where Chris would probably be more effective than either one of us there.

111

00:13:59.910 --> 00:14:10.890

Clinton Supervisor Ray Oberly: I want to keep it the way it is. I think this is the way to move forward and provide general experienced everybody and next year we'll see what happens.

00:14:10.920 --> 00:14:15.120

Chris Juliano Council Person: Yeah, I don't agree with this, and I think we're gonna have to take a vote on this.

113

00:14:15.180 --> 00:14:15.510

Right.

114

00:14:17.190 --> 00:14:19.980

Chris Juliano Council Person: And we're gonna have to do them individually, each one of these resolutions and

115

00:14:21.360 --> 00:14:24.510

Clinton Supervisor Ray Oberly: Is that the only one in contention just number two.

116

00:14:26.910 --> 00:14:27.540

Michael Whitton: For me, yes.

117

00:14:28.710 --> 00:14:28.950

Chris Juliano Council Person: Yes.

118

00:14:29.070 --> 00:14:41.820

Clinton Supervisor Ray Oberly: That the online and approve all five other sex, and then we'll do that one. Number two, and I don't think legally, you are a choice. It's my decision.

119

00:14:42.480 --> 00:14:49.290

Chris Juliano Council Person: I think we approved. We got to approve on here and we have to approve the resolution. So then the resolution.

120

00:14:49.980 --> 00:14:57.210

Clinton Supervisor Ray Oberly: You can approve them, but the decision of who's. Where is my decision. It's not a group decision from the board.

121

00:14:58.410 --> 00:15:00.630

Chris Juliano Council Person: We can we can vote down the resolution totally then

122

00:15:01.980 --> 00:15:07.290

Clinton Supervisor Ray Oberly: Then, then we're all in disarray until we decide on what we're gonna do.

123

00:15:09.570 --> 00:15:10.020

124

00:15:10.890 --> 00:15:11.430

Dean Michael: Why, why do

125

00:15:14.370 --> 00:15:20.970

Chris Juliano Council Person: You know why it. I'm going to go on the public and say why I think he doesn't like the fact that I that the highway department.

126

00:15:21.510 --> 00:15:29.190

Chris Juliano Council Person: As had cohesion, with all but you know we all work together and then he had a lot of issues with the highway department.

127

00:15:29.790 --> 00:15:38.010

Chris Juliano Council Person: With employee personnel and everything else. And I was a driving force for that to bring things to wait was so I feel that this is a personal

128

00:15:38.550 --> 00:15:45.960

Chris Juliano Council Person: vendetta brought against me. I think that's what this is going about my experience. We were able to be successful on that.

129

00:15:46.290 --> 00:16:03.870

Chris Juliano Council Person: I would welcome the opportunity to work with Michael on that I think you'd bring some new ones and insight on that as well. Um, but that that's my you're taking basically I'm coming down from having more hands on think designing vouchers and that that's what

130

00:16:04.980 --> 00:16:19.410

Chris Juliano Council Person: Race putting me into and to experience in vouchers, or just, you know, we're going through a verifying so I you know it's not like I'm coming on and saying, okay, I got the CPA or the planning board or something else to make real, you know, change on that.

131

00:16:21.870 --> 00:16:22.530

Clinton Supervisor Ray Oberly: But all right,

132

00:16:24.180 --> 00:16:32.310

Clinton Supervisor Ray Oberly: At this time, I'm not changing anything. So we'll all resolutions, except number two will take that one out.

133

others so people get painted in rates and all the

134

00:16:41.040 --> 00:16:41.970

Town Clerk Carol Mackin: Facts and all

135

00:16:42.690 --> 00:16:55.200

Clinton Supervisor Ray Oberly: And then we'll discuss resolution to will put it to a vote. And if you voted down. Then we have no organizational structure in place.

136

00:16:56.430 --> 00:17:00.870

Clinton Supervisor Ray Oberly: Okay, because the decision of who goes. Where is my prerogative.

137

00:17:02.460 --> 00:17:04.290

Clinton Supervisor Ray Oberly: That's a legal issue talk

138

00:17:05.160 --> 00:17:05.760

Chris Juliano Council Person: And find out

139

00:17:06.060 --> 00:17:12.120

Clinton Supervisor Ray Oberly: This ray that's rate is. So is that a way of moving forward, at least to

140

00:17:13.590 --> 00:17:15.090

Clinton Supervisor Ray Oberly: Get something done.

141

00:17:15.930 --> 00:17:19.140

Michael Whitton: Yeah, let's approve 1313456 and seven.

142

00:17:20.010 --> 00:17:20.280

Yeah.

143

00:17:22.560 --> 00:17:27.750

Clinton Supervisor Ray Oberly: Okay, so at this time with the motion has removed resolution to

144

00:17:29.460 --> 00:17:36.870

Clinton Supervisor Ray Oberly: And we will then go and do a roll call vote on resolutions one through seven minus two.

145

00:17:38.010 --> 00:17:40.110

Clinton Supervisor Ray Oberly: Overly I Giuliana

00:17:42.000 --> 00:17:42.600
Clinton Supervisor Ray Oberly: My thought

147
00:17:43.050 --> 00:17:44.250
Clinton Supervisor Ray Oberly: I when

148
00:17:44.670 --> 00:17:49.470
Clinton Supervisor Ray Oberly: I Motion carried. Okay, now we do resolution to

150
00:18:02.790 --> 00:18:03.570
Dean Michael: In Michael second

151
00:18:04.530 --> 00:18:06.270

152
00:18:09.180 --> 00:18:13.830
Clinton Supervisor Ray Oberly: Okay, we'll call vote overly I feel ya.

153
00:18:14.460 --> 00:18:14.880
Know,

154
00:18:16.260 --> 00:18:17.100
Clinton Supervisor Ray Oberly: The Michael

155
00:18:18.960 --> 00:18:22.530
Dean Michael: I guess I'll say I because I guess you do have the right to appoint

156
00:18:23.070 --> 00:18:24.570
Michael Whitton: And Witten know

157
00:18:26.460 --> 00:18:28.530
Clinton Supervisor Ray Oberly: So motion did not pass

158
00:18:31.110 --> 00:18:41.010
Clinton Supervisor Ray Oberly: For the motion did not pass. So you have no established liaison and everything will be just status quo, I

159

00:18:41.610 --> 00:18:42.810

Chris Juliano Council Person: That will speak to Shane.

164

00:19:04.020 --> 00:19:16.230

Michael Whitton: And this switching Dean and Chris and highway does not change a thing in terms of training people or experience. It just puts the most qualified person in the position.

165

00:19:20.370 --> 00:19:25.710

Clinton Supervisor Ray Oberly: We just trying to broaden the experiences of the board table.

166

00:19:26.850 --> 00:19:29.880

167

00:19:31.020 --> 00:19:33.030

Clinton Supervisor Ray Oberly: And that's what I was attempting to do

168

00:19:34.110 --> 00:19:37.620

Clinton Supervisor Ray Oberly: So at the moment it is rejected.

169

00:19:38.700 --> 00:19:48.900
